

## 🌿 Unlock the World of Innovation: International Project Internship Opportunity! 🌐

Embark on a journey of creativity and collaboration with the International Project Internship at Beni-suef University of Egypt! We're thrilled to announce the opening of applications for an exciting venture – the "**Development of an Interactive Smart Phone Application: Talking Tree.**"

### **About the Project:**

Join hands in a ground breaking international collaboration between Beni-suef University of Egypt and Shivaji Science Innovation & Incubation Centre, India. Led by visionaries **Dr. Sameh AbouZid** and **Dr. Sarang S. Dhote**, this six-month project aims to bring to life an innovative Smart Phone Application that features a Talking Tree.

### **Your Role as an Intern:**

As an intern, you'll be at the forefront of technology and innovation, contributing to a project that merges nature and technology. Your responsibilities may include dialogue setting, proofing, recording using cutting-edge AI tools, and smart phone application development.

### **What We Offer:**

- **Global Collaboration:** Work alongside professionals and experts from both Beni-suef University and Shivaji Science Innovation & Incubation Centre.
- **Hands-on Experience:** Dive into the development process of an Interactive Smart Phone Application, gaining invaluable practical skills.
- **AI Tools Exposure:** Explore the world of artificial intelligence, enhancing your proficiency in dialogue setting, proofing, and recording.
- **Cultural Exchange:** Immerse yourself in a rich cultural experience as you collaborate with international peers.

**Duration:**

The project spans **six** months, providing you with ample time to immerse yourself in the intricacies of application development and innovation.

**Rewards:**

At the end of the internship, each participant will be felicitated with a prestigious e-Certificate, recognizing your contribution to this ground breaking project.

**How to Apply:**

If you are passionate about technology, innovation, and making a global impact, we invite you to be a part of this transformative experience. Submit your application by 15/12/2023.

Don't miss this chance to be part of a project that combines nature, technology, and international collaboration! Apply now and be a key player in the Development of the Talking Tree Smart Phone Application.

**🌿 Apply Today and Be the Voice of Innovation! 🌐**
