About IQAC: The Internal Quality Assurance Cell of the College was established on 1st July 2004. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. As a part of quality enhancement initiative this workshop is organized to inculcate the sense of optimization and integration of research methodology.

About RISWP-2021 Workshop: Scientific writing is a necessary skill that must be learned by researchers. This workshop is intended to impart researchers with basic skills in writing and publishing a scientific paper in a peer reviewed journal. The workshop will help the participants to understand how to draft a scientific paper including statistical measures in research, selection of a journal, submission process and understand authorship, plagiarism, copyright and ethics in publication. In addition, the course will provide participants an understanding of the research avenues for the welfare of students' community.
