National Webinar on Demystifying Vaccines: Prerequisite of the Era

On Virtual Platform

16th March 2022

About the Webinar: Every year, India celebrates National Vaccination Day on 16th March to convey the significance of vaccination to the people of the country. Vaccination is in fact the most effective method to prevent any highly infectious disease. This National Webinar on the topic "Demystifying Vaccines: Prerequisite of the Era" is organized to create general awareness among people to improve public acceptance and decrease vaccination hesitancy in confronting diseases.
