

National Service Scheme Cell

Prof. Prashant S Utale
Program Officer

The National Service Scheme Cell of our college has enrolled 100 volunteers for the session 2018-2019. The Independence Day was celebrated on August 15, 2018 in our college by the staff, students, NCC and NSS volunteers with great zeal and enthusiasm. On this occasion Principal, Dr. G.R. Avchar advised to all about devotions made by the great personalities for independence of our Nation.

The NSS team from Pune has organized the seminar and examination on 8th September 2018 on human rights and constitution. The seminar was very informative and knowledgeable. They told students that how important is to have information about our rights. Then they explain the importance of constitution and its framework. Then there was examination of about 2 hours.

The NSS team of Shivaji Science College had organized the program "tree plantation" on 26th of July 2018. They also taught us the importance of the trees in the today's world. Later all the candidates of the NSS team start planting The trees .The main motive was to create awareness among students about the tree plantation and to give the knowledge about the trees.

The NSS team of Shivaji Science College and a team from the Zilla Parishad of Nagpur had organized the program "Nivadnuk Shaksharta Club " on 14th of Oct 2018. They also told us the importance and power of the votes and voting process in India. Later all the candidates of the NSS team distribute the application forms of voting card .The main motive was to create awareness among students about the importance of vote and to give the knowledge about the voting process in India.

The NSS team of Shivaji Science College had organized the 6 days camp "swacha bhara abhiyan" from 8 Jan 2019 to 13 Jan 2019. This camp was organized to teach the students the importance of the cleanliness and to teach the students to maintain the discipline in day to day life.

The camp was inaugurated by our vice principal and the guest present in program give the enlightened us about the importance of the camp and discipline and gave wishes for having and successful and fun camp. After the program was over all the guest and the candidates have lunch. And at 6 pm we have our nss prayer and then dinner.

2nd day starts at 6 am when all the candidates exercise and yoga instructed by our nss convenor ,then all the candidates had their breakfast after that from 8 am to 11 am we cleaned the place where we were staying we clean all the toilets, the ground and we also did some gardening in the school after that all the candidates and the teachers had their lunch and then a 2 hours break. At 2 pm there was lecture on biodiversity which was successfully taken by the guest lecturers Dr. Nitin Dongarwar () who thought us about the various diversity of plant and animals and there behavior. After that all the students have

cultural program where they all perform a drama, sang some songs and the entire event was enjoyable. Then all the candidates and the guests with the monitors had dinner all together and the day spent all good.

All the students wake up at 6am and did yoga and exercise after that we all have our healthy breakfast and then from 8 am to 11 am we have our cleanliness program where we clean the streets and some unclean spots inside the village. After that all the students had their lunch and some rest. At 2 pm there was a guest lecture on personality development by Mr. Prabhu Shinde (social worker) and shared his life experiences he told us how should a person behave in society and respect for what he has. After that there was a cultural program and then all the guests and students had dinner.

Today's day starts at 6 am by yoga and exercises after that all had a good and heavy breakfast. Then from 8 am to 11 am we clean the all the campus. And then we had our lunch and rest after that we had a guest lecture on ethical hacking by Mr. Krishna Karu who tells us about the hacker do their work and what are the scope of this in helping government and people. After that we enjoy the cultural event organized by the candidates themselves and then we had our dinner.

Our day starts with the yoga and then breakfast after that we have all visited the farm where we construct a small wall of rocks and sand. And then there was the cultural event where all the village people were invited to enjoy the event and it was successfully occurred after that we had our dinner.

It was the last day of our camp which starts with doing yoga and the breakfast. Then the principal of our Shivaji Science College and our all guest adjournment of the program by appreciating the hard work done by all the students and by giving the best volunteer and the all rounder award to the candidates.

The NSS team of Shivaji Science College organized the camp on 22nd of February 2019. **59 peoples** donated blood and the camp was successfully executed, no casualties occurred. The main motive was to create awareness among students about the blood donation and to provide blood to the government blood banks.

The Republic Day was celebrated on January 26, 2019 in our college by the staff, students, NCC and NSS volunteers with great zeal and enthusiasm. On this occasion Principal, Dr. C.J. Chandekar advised to all the importance of the Republic Day.
