### Fabrication of DC Power Supply

Session 2018-19

INNOVATIVE PROJECT by Students for the College: Every first year students of M.Sc. Physics fabricated a regulated dc power supply which is need of our laboratory. Under the leadership of Dr S S Darokar, our teachers - Ms. Sumedha J. Tamboli, Mr. Sarang R. Daf, Mr. Bhaurao R Balbudhe, Mr. C Ruchir Kumar, Ms. Pratiksha P Dixit, Mr. Pratik M Deshmukh guided the students for design-fabricate-encapsulate the power supply in a cabinet. This state-of-the-art Regulated DC Power Supply was today handed over to the Department by the students. The cost of the project was partly sponsored by the college and partly by the students. To mark the contribution, name of the student is mentioned on the cabinet as a gesture of appreciation. I feel indebted to the students and teacher for their invaluable contribution.
