Sub: Participation of schools/colleges in CSIR-NEERI Foundation Day celebrations at NEERI on
8th April 2022 - confirmation req.

Dear Sir / Madam,

I am pleased to inform that 64th CSIR-NEERI Foundation Day celebrations will be held at National Environmental Engineering Research Institute (NEERI), Nagpur on 8th April 2022 (Friday). The Institute will be kept opened between 10.30 am to 2.30 pm on this day for students. The significant R&D achievements / ongoing R&D activities will be briefed at the respective Laboratories of the Institute on this day.

Science model exhibition-cum-competition for students will also be organized as per the following-

07.04.2022 (Thursday)	11.00 am - 12.15 pm	Evaluation of science models
08.04.2022 (Friday)	10.30 am - 2.30 pm	Inauguration of the exhibition by the Director, CSIR-NEERI

May I request you to kindly confirm the participation of students in this science model exhibition-cum-competition. The students will get an opportunity to display their innovation and creativity in the areas of air pollution control, water technology and management, or waste management. Each school will be allowed to present one science model only, in each category, i.e. Category I: students studying in 5-7 standard, Category II: 8-10 standard, and Category III: students studying in 11-12 standard. There will be three prizes in each category. The science model exhibition-cum-competition will exclusively be focused on the environment. The participating students may display their skill towards betterment of the environment through development, innovation, creativity, etc. involving science and technology intervention.

Your school may also plan for visit of students to the Institute on 8th April 2022 between 11.00 am to 2.30 pm so that they can see various Laboratories of the Institute and interact with our scientists.

The students prior to their visit to CSIR-NEERI or participation in the science model exhibition-cum-competition should register by providing details such as name of the student, class in which studying, name of the school, name of the science model, participation category, mobile number, number of visiting students, etc. at the contact details provided below.
