Prof. Rashmi Urkude - Presiding Officer

To provide a safe working environment, today all workplaces in India are mandated by application of law. Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act-2013 was enacted to ensure safe working places for women and to build an enabling work environment that respects women's right to equality of status and opportunity. This act is an extension of the Vishakha Guidelines issued by the Hon'ble Supreme Court.

As per the orders issued by the Government of India from time to time on women's issues to all organisations, the statutory committee is constituted to be named the Internal Complaint Committee (ICC).

ICC of Shivaji Science College, Nagpur are as follows:

- Prof. Rashmi Urkude - Presiding Officer
- Prof. R.N. Deshmukh - Member
- Mrs. Anupama Mendhe - Member
- Adv. Asavari Palsodkar – Member

On 23rd September 2022, the Internal Complaint Committee (ICC) of Shivaji Science College, Nagpur organised a guest lecture entitled, "Laws regulating women safety at Workplace (Act-2013)". Sexual harassment is a serious criminal offence, which can destroy human dignity and freedom. In efforts to promote the well-being of all women in the workplace, which includes female teaching, non-teaching staff and students as well, this guest lecture on this topic was organised for all stakeholders of the Institution.

A message to the audience is unconventionally received by the reason of its existing importance in the present society. Therefore Prof. Rashmi Urkude, presiding officer of ICC, emphasized the need for this program given the transforming and evolving nature of the workplace, dynamics for male and female workers alike and the legal knowledge which today's world demands.

On this occasion, Adv. Asavari Palsodkar, Assistant Public Prosecutor was present as chief guest. Palsodkar Madam enlightened the audience on the Sexual harassment of women in

the workplace (Prevention, Prohibition and Redressal) Act 2013. She briefed the students on the legal core of the act dealing with sexual harassment- prevention i.e. the institute, employees and student's combined efforts to create an atmosphere of mutual respect; prohibition i.e. enacting policies and further steps penalising any behaviour or actions promoting sexual harassment and finally Redressal i.e. remedy for victim supported by investigation. The same were supplemented by landmark judgements, statutes and legal provisions. Principal Prof. M. P. Dhore presided over the function. He recognised the need for respect and responsibility any institute must embody by both men and women.

Prof. R.N. Deshmukh proposed the vote of thanks. Proceedings of the programme were carried out by Mrs. Anupama Mendhe.
