From the President's Desk

Education provides the tool and opportunity to fulfill one's dream. Education is the only means to change the outlook of the society. The quality education provides us various angles and promotes our thinking line for different avenues.

Shri Shivaji Education Society, Amravati's Science College, Congress Nagar, Nagpur has a singular position in Central India. Ever since its inception in the year 1967, it has been imparting education and thereby grooming the youngsters with a view to make them good citizens of this country. I am proud to mention that we have adopted excellence practices, methodology and equipments in the functioning of the college. This college celebrated its Golden Jubilee in 2017 and the same year NAAC Bangalore reaccredited it as A+ Grade College with the CGPA of 3.51. I am very happy to mention here that this centrally located college is unique in terms of infrastructure, highly qualified and competent staff, well equipped laboratories and the teacher-pupil relationship. I wish that this college will scale new heights in the years to come.

Shri Harshvardhan P. Deshmukh

From the Principal's Desk

It is really a matter of immense pleasure for me to be the principal of Shri Shivaji Education Society Amravati's, Science College, Congress Nagar, Nagpur where I embarked on teaching career in the mid-nineties. This college stands for excellence and has continuously set the highest standards. As a faculty member of this college, I witnessed its colourful journey from Five Star to 'A+' Grade College and a College with Potential for Excellence. We are proud of the academic ambience, faculty resources, research output and infrastructure that college provides to the students imparting science education in their chosen subjects.

Our Science College is the most sought after college in Nagpur city. We feel proud to provide quality education by equipping our student with skills, confidence and a positive approach with an all round development.

Taking into account our academic achievements, infrastructure, co-curricular, extra-curricular activities and other all round development, NAAC, Bangalore reassessed the college as 'A+' Grade with CGPA 3.51 in June 2017.

I took up the reins of college administration on 25th April 2019. I am quite sure that the guidance from the office bearers of the parent society, my affectionate and competent teaching staff, hard working and amicable office staff, bright and meritorious students and all other stakeholders will help me to write a never to be forgotten chapter in the history of this college.
