

Shri Shivaji Education Society Amravati's  
**SCIENCE COLLEGE**  
Congress Nagar, Nagpur

**Notice**

Date: 13/08/2021

Considering the devastated health condition of the people in this current pandemic atmosphere, we need to assess Health Index of every student and staff. This idea is backed by Fit India campaign launched by Honorable Prime Minister of India Shri Narendraji Modi. It is launched to improve and maintain health of students and educational institute's people. It is also backed by UGC guidelines for higher educational institute's students' health improvement and health maintenance.

For the same our college is going to conduct webinar on "*Active Health Approach for the students and staff*" under expertise of *Dr. Sanjay Gadekar (Senior Surgeon and Health Mentor)* on **Tuesday, 17/08/2021 at 1:00 p.m.** This Webinar is under UMS Health initiative for augmentation of public health. The webinar is aimed at making everybody not only disease-free but healthy and further proceeding towards improving Health Index. This Webinar is to analyze individual health status and measures to improve health index of each and everyone. It will also help everybody to become strong enough to face any dreadful pandemic or dangerous diseases and to assure improved Universal Health for all.
