On April 20th, 2024, Shivaji Science College, Congress Nagar Nagpur, in collaboration with Himedia, hosted a one-day workshop focusing on "Immunology and Immunodiagnostics." Organized by the college's Department of Biotechnology, the event attracted a diverse range of participants keen on exploring the intricacies of the immune system and innovative disease intervention techniques. The workshop was graced by the presence of esteemed dignitaries, including Hon'ble Principal Prof. M.P. Dhore sir, Prof. A.D. Bobdey sir, and Dr. Pranita Gulhane ma'am. The workshop was conducted by Dr. Sunil Kokane sir on the topic "Immunology and Immunodiagnostics". He emphasized the significance of the event in advancing immunological research, highlighting the exchange of knowledge and expertise as instrumental in expanding our understanding of the immune system and facilitating transformative breakthroughs in disease treatment and prevention. Total 75 students were enrolled for the course. The workshop garnered significant participation from faculties specializing in Biotechnology and Microbiology, contributing to the enhancement of their knowledge in the field of biomedical research.

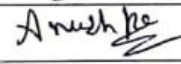

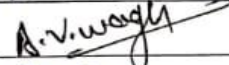

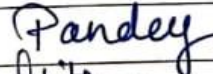

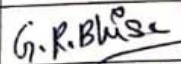

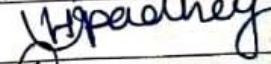

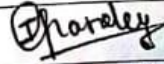

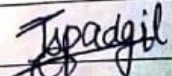

With a focus on providing comprehensive insights and hands-on training, the workshop aimed to deepen participants' understanding of SDS-PAGE techniques in modern biomedical research. The event commenced with a series of engaging keynote lectures by Dr. Sunil Kokane, offering insights into the latest advancements and challenges in the field. Questionnaire sessions were also conducted.

Overall, the workshop served as a comprehensive platform for advancing understanding and expertise in immunological research, combining theoretical insights with practical training to empower participants in the pursuit of innovative solutions for disease management and prevention.
