Minutes of Meeting

Session 2023-2024

Date- 30/04/2024

The minutes of the previous meeting were reviewed and approved. Key tasks and responsibilities were outlined for the upcoming period. Work was allocated to all teachers for the submission of necessary documents to various NAAC committees. Each teacher is expected to adhere to the deadlines and guidelines provided to ensure comprehensive and timely submissions. It was emphasized that faculty members must be present for the practical examinations scheduled by R.T.M. Nagpur University for the Summer 2024 session. In preparation for the NAAC evaluation, it is crucial to organize and prepare all required documentation during the vacation periods. The discussion also covered the National Education Policy (NEP), focusing on its implementation and impact on our institution. Finally, Madam extended a vote of thanks to all participants for their dedication and active involvement. The contributions of each member are greatly appreciated.

Minutes of Meeting

Session 2023-2024

Date- 16/03/2024

The minutes of the previous meeting were reviewed. Discussion focused on the completion of the syllabus for the upcoming even semester. Teaching staff were advised to encourage and motivate students to concentrate on their studies, prepare for their semester exams, and also to consider competitive exams such as IIT-JAM, GATE, GAT-B, and CUET.

Additionally, faculty were instructed to maintain separate files for NAAC documentation according to various criteria. The meeting also covered the logistics and instructions for practical examinations. Dr. Gulhane emphasized the importance of timely syllabus completion and effective exam preparation to ensure students' academic success. The session concluded with a reminder for faculty to remain proactive in supporting student achievement and adhering to departmental standards. Madam proposed a vote of thanks to all attendees and concluded the meeting.

Minutes of Meeting

Session 2023-2024

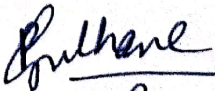

Date- 21/09/2023

The Departmental meeting took place on September 21, 2023, at 1:00 pm. Dr. Pranita Gulhane extended a warm welcome to all faculty members at the inaugural meeting of the 2023-24 session.

During the meeting, Dr. Gulhane outlined the syllabus and assigned workloads to the faculty. Faculty members were also encouraged to promote student registration for the Microbiologists Society Membership. Additionally, detailed instructions were provided regarding syllabus completion and examination protocols. Dr. Gulhane emphasized the importance of maintaining high academic standards and effective communication to ensure a successful academic year. Madam proposed a vote of thanks to all attendees and concluded the meeting. She also expressed her expectation for continued cooperation from the staff throughout the academic year to ensure the success of departmental initiatives and objectives.
