“Educational visit to VNIT”

Date: 28/02/2022

On the occasion National Science Day, Teacher of Biotechnology department along with students visited the Science exhibition organized by Visvesvaraya National Institute of Technology, Nagpur (VNIT) on 28th Feb,2022.

Action taken: Around 55 students and 6 teachers embarked on a visit to a distinguished research institution. This excursion was designed to offer students an invaluable opportunity to delve into innovative ideas and cutting-edge research practices. The visit proved to be highly beneficial for the students, enriching their educational experience and fostering their holistic development.

During the visit, students engaged with a variety of research projects and interacted with leading experts in their fields. This exposure not only broadened their understanding of theoretical concepts but also provided practical insights into how these ideas are applied in real-world scenarios. The opportunity to observe and participate in ongoing research projects inspired students and sparked their curiosity about potential career paths in research and innovation.
