Date: 30-08-2018

A seminar titled “Career Opportunities Abroad” was organized by the Department of Biotechnology at S.S.E.S.A’s Science College, Nagpur, on August 30, 2018, in the college’s Conference Hall. Dr. Samiksha Raut, Assistant Professor in the Department of Biology at the University of Alabama, Birmingham, USA, served as the guest speaker. The event was graced by the presence of Dr. G.R. Avchar, Vice Principal of the college. B.Sc. III rd Year and M.Sc. students from the college actively participated in the session. Dr. C.J. Chandekar, Head of the Department of Microbiology and Officiating Principal of S.S.E.S.A’s Science College, delivered the presidential address, highlighting the significance of international career opportunities in the field of microbiology. The seminar concluded with Dr. Pranita Gulhane providing the anchoring and delivering the vote of thanks, expressing gratitude to the guest speaker, participants, and organizing committee. The session was well-received, fostering a valuable exchange of knowledge and inspiration for students aspiring to build careers abroad

Action taken: A total of 50 students took part in the seminar. Attendees gained valuable insights into international career prospects in microbiology and related fields, broadening their understanding of global opportunities. Dr. Samiksha Raut’s presentation offered practical advice and guidance on pursuing advanced education and research positions abroad, which inspired and motivated students. The event facilitated networking between students and a distinguished academic professional, enhancing their career planning and decision-making. Additionally, the seminar reinforced the college’s commitment to providing students with resources and knowledge for global career advancement. Overall, it was a fruitful experience that equipped students with actionable information and new perspectives on international career paths.
