Prof. R.N.Deshmukh  
Head Department of Botany

Dr. S.D.Puranik  
Convener

## Action Taken Report

Following the successful inaugural program of the Botany Subject Society under the Science Association on 29th March 2017, the Department of Botany has taken several steps to build on this event. To maintain momentum, we have organized regular meetings of the Botany Subject Society to plan and implement academic and co-curricular activities throughout the year. Workshops, guest lectures, and interactive sessions are being arranged to provide students with exposure to various fields of Botany and related sciences. The department is also establishing a mentorship program to help students set and achieve their academic and career goals, inspired by the guidance shared by the Chief Guest, Dr. Jairam Khobragade, during the event. Additionally, efforts are being made to recognize and celebrate the achievements of more students by increasing the number of awards and accolades given during the society's events.

### Feedback Questions:

1. How would you rate the overall organization and conduct of the Botany Subject Society inaugural program? (Good/Better/Average)
2. How effectively did the inaugural program help motivate and guide you towards your future academic and career goals? (Good/Better/Average)
3. How would you evaluate the quality of interaction and engagement with the Chief Guest and other dignitaries during the event? (Good/Better/Average)
