## Action Taken Report

Following the Botany Subject Society Inaugural Program held on 14th September 2019, the Department of Botany has implemented several measures to build on the success of the event. Regular meetings and activities for the Botany Subject Society have been scheduled to maintain engagement and promote academic development. We have introduced a structured mentorship program to provide students with continuous guidance, inspired by the valuable advice from Chief Guest Dr. J.S. Pande. The department has also expanded recognition for meritorious students by increasing the scope and frequency of awards. Additionally, we are planning more events and guest lectures to enhance student interaction with field experts and professionals, aligning with the motivational themes emphasized during the inaugural program.
