Action Taken Report

Following the successful inaugural program of the Botany Subject Society held on 26th February 2022, the Department of Botany has taken several steps to build upon the event's success. We have instituted regular meetings and activities of the Botany Subject Society to foster continued engagement and academic growth among students. To honor the meritorious students recognized during the event, the department has established a system for ongoing academic and professional support, including mentorship programs and additional awards for achievements. We have also enhanced our communication channels to provide students with timely information on future opportunities and events. Inspired by the guidance from Chief Guest Prof. S.R. Thakre, we are focusing on creating more opportunities for students to interact with professionals and experts in the field, further supporting their career aspirations and academic pursuits.
