NSC-2019**

Report on Participation of Department of Botany Students in NSC-2019

Event Details:

The Department of Botany, SSES Amravati's Shri Shivaji Science College, proudly participated in the 2-day National Students Conference (NSC-2019) on 'Emerging Trends in Fundamental Sciences.' The conference was organized by the Internal Quality Assurance Cell and Government Institute of Science, Nagpur.

Participants: Nine enthusiastic students from the Department of Botany actively participated in the conference. Their names are as follows:

1. Sakshi Dubey
2. Pallavi Shende
3. Ashwini Zurmure
4. Iffat Quazi
5. Ashwini Neralwar
6. Purva Katakwar
7. Diksha Badge
8. Madhur Dahilkar
9. Shruti Agarwal

Achievements:

The students showcased their academic prowess and research acumen, resulting in remarkable achievements for our department. Notably, **Iffat and Ashwini Zurmure** secured the first prize for their outstanding contributions. Their dedication and hard work reflect the high academic standards upheld by our institution. Additionally, **Madhur and Sakshi** earned praise by clinching the third prize, further enhancing the reputation of our department.

Conference Experience:

The National Students Conference provided a platform for budding scholars to exchange ideas, present research findings, and engage in insightful discussions on emerging trends in fundamental sciences. Our students actively participated in paper presentations, poster sessions, and interactive workshops, demonstrating their passion for scientific inquiry and academic excellence.

Topics Covered:

The conference encompassed a wide array of topics spanning various disciplines within the realm of fundamental sciences. Our students presented research papers and posters on diverse subjects such as botany, chemistry, physics, mathematics, and environmental science, contributing valuable insights to the academic discourse.

Recognition and Appreciation:

The commendable achievements of our students reflect not only their individual dedication and diligence but also the collective efforts of our faculty members in nurturing their intellectual growth. We extend our heartfelt appreciation to our esteemed faculty members for their guidance and support in preparing our students for such prestigious academic competitions.

Future Endeavours:

Participation in events like NSC-2019 not only enhances the academic prowess of our students but also instils in them a sense of confidence and motivation to pursue excellence in their chosen fields. As a department, we remain committed to nurturing and empowering our students to become competent professionals and contributors to the scientific community.

Conclusion:

The success of our students in NSC-2019 underscores the academic excellence and research capabilities fostered by the Department of Botany, Shri Shivaji Science College. We congratulate all the participants for their exemplary performance and extend our best wishes for their future endeavours. Such achievements serve as a testament to our department's commitment to promoting academic excellence and fostering a culture of scholarly inquiry and innovation.

Empowering the next generation of scientists! Department of Botany, Shri Shivaji Science College, shines bright at NSC-2019 with Dr. Punita Tiwari.

Celebrating excellence! Congratulations to our outstanding students for their remarkable achievements at NSC-2019.

Action Taken Report on Participation of Department of Botany Students in NSC-2019

In response to the participation of our Botany students in NSC-2019 and their commendable achievements, the Department of Botany at Shri Shivaji Science College has undertaken several proactive measures to build on this success. We have implemented a mentorship initiative where faculty members guide students in developing their research and presentation skills. Additionally, internal workshops and practice sessions are being organized to better prepare students for future conferences and academic events. The department is also enhancing access to research resources and scientific literature to support our students' academic pursuits. Furthermore, we are actively seeking opportunities for collaboration with other institutions to enable our students to participate in more national and international conferences, thereby broadening their academic and professional horizons.

FEEDBACK FORM

Sr.No.	Question	Response		
		Good	Better	Average
1)	How would you rate the overall experience of participating in NSC-2019 in terms of learning and engagement?			
2)	How effectively did the conference help you improve your research and presentation skills?			
3)	How would you assess the support and guidance provided by the faculty for your preparation and participation in NSC-2019?
