

Department of Botany, Celebrated World Environment Day & Tree Plantation & Virtual mode Intercollegiate Quiz Competition on 5th June 2024.

Session 2024-2025

SHRI SHIVAJI EDUCATION SOCIETY AMRAVATI'S
SCIENCE COLLEGE
DEPARTMENT OF BOTANY

Organizes
**"Intercollegiate E-Quiz Competition
ON THE OCCASION OF
"World Environment
Day"
On Theme
"Water's Curse: The Menace of Aquatic Plants"**

ABOUT THEME
The World Environment Day is celebrated every year on June 5th to raise awareness about environment issues and promote positive action for the protection of our planet. The theme World Environment Day on 5th June 2024 focuses on solution to "Water's Curse: The Menace of Aquatic Plants. The water curse infects the air during rainy seasons and it was thought that the area was particularly unsafe when the sun intensity is low. The existence of Ambazari Lake, the splendor of the vice capital, is in danger. The aquatic plant i.e. Eichhornia, which is literally destroying beauty of Lakes. The water plant, which depletes the oxygen in the water and destroys the fish and other biodiversity, is now preparing to engulf Ambazari Lake. Mechanical removal of plants from field dams and drains is an effective form of water hyacinth control, but only when the rate of removal is faster than the rate of re-growth. There are instances where mechanical harvesting of large infestations has been effective, though costly.

Dear students,

We are happy to announce that Department of Botany,
SCIENCE COLLEGE,
Congress Nagar, Nagpur is organizing Intercollegiate E-Quiz Competition,
on the occasion of
"World Environment Day"

We hope you will participate in this event & Save our Environment.

**Rules and Regulations for Intercollegiate
E-Quiz Competition**

- *1) Students from all subjects (Life science, Earth science, Material science) can participate in this competition.
- 2) There are 25 questions having 4 options each.
- 3) All questions are compulsory.
- 4) Each question carries one mark.
- 5) Only Single Response is allowed.
- 6) First, Second, and one consolation Prize are given to the participants.
- 7) After successful submission of feedback form, certificate of participation will be generated.
- 8) After submission of this form, link for feedback form will be sent on your e-mail.

World Environment Day & Tree Plantation & Virtual mode Intercollegiate Quiz Competition on 5th June 2024

On the occasion of International Environment Day, on 5th June 2024, an inter-college "e-competition" was organized in the Department of Botany, Science College, Nagpur through virtual mode. Convener of this competition Dr. Mrs Sharayu S. Deshmukh informed the students about the rules and conditions of this competition. On first day of celebration week 138 students participated in the e-competition. After that, e-certificates were given to the students through feedback link. Head of Department Prof. Punita Tiwari madam gave guidance and congratulated the winning students from time to time. She also gave guidance on how the growing "water plant" is harmful to the surrounding environment and how it can be destroyed and she also guided how we can maintain the balance of the environment by planting maximum number of trees to maintain the balance of the environment due to rising temperature. Also, on the occasion of Environment Day, tree plantation was done by Hon'ble Principal Dr. M. P. Dhore. On this occasion, Dr. Pandey sir, Dr. RY. Deshmukh Sir, Dr. Khope Sir, Dr. Utale sir, Dr. Amitabh Haldar Sir, Dr. Hemant Bonde Sir were present. Also, for this activity, the cooperation of all the colleagues in the Botany department was received. Also, Principal Dr. M. P. Dhore congratulated the head of the department and all the professors for the success of the quiz and also said that there is a need for awareness programs on such a new topic. Convener of this competition Dr. Mrs. Sharayu S. Deshmukh, Assistant Professor Botany, conducted the e-Quiz in virtual mode. Also, e-certificates were given to the winners of the competition and all were congratulated. Punita Tiwari Madam, Dr. Rupali Mahakhode Madam, Dr. Reshma P . Sonwalkar Madam, Shruti Agarwal, Mr. Piyush Sharma and Lab Assistant Aniket all helped us.

Action Taken Report on Intercollegiate e-Quiz Competition

Event Name: Celebrated World Environment Day & Tree Plantation & Virtual mode Intercollegiate Quiz Competition on 5th June 2024.

Theme:-“Water’s Curse: The Menace of Aquatic Plants”

Organized by:-Department of Botany

Session: 2024-2025

Convener: Dr. Sharayu S. Deshmukh, Assistant Professor, Botany

Head of Department: Prof. Punita Tiwari

Principal: Dr. M. P. Dhore

Event Execution:

Planning and Coordination: The e-Quiz competition was successfully planned and coordinated by the Department of Botany under the leadership of Dr. Sharayu S. Deshmukh. The event was organized to celebrate World Environment Day and aimed to increase awareness about the impact of aquatic plants on water bodies.

Conduct of the Event: The e-Quiz was conducted in a virtual mode, allowing students from various colleges to participate. The quiz was designed to test

participants' knowledge on the theme "Water's Curse: The Menace of Aquatic Plants".

Post-Event Activities: E-certificates were issued to all participants through a feedback link provided after the event. The Head of Department, Prof. Punita Tiwari, provided guidance and congratulated the winning students. A tree plantation drive was conducted by Hon'ble Principal Dr. M. P. Dhore as part of the World Environment Day celebrations.

3. Registration and Participation

- **Registration Process:** An online registration form was created and shared. Participants were required to register in advance.
- **Participants:** A total of 200 students from 15 different colleges registered for the competition.

4. e-Quiz Competition

- **Platform:** The e-Quiz was conducted using an online quiz platform that allowed real-time participation and scoring.
- **Quiz Content:** Questions were prepared by the Department of Botany, focusing on the theme "Beat Plastic Pollution" and related environmental issues.
- **Duration:** The quiz was conducted from 1 Pm to 5 PM on 5th June 2024.

5. Evaluation and Results

- **Scoring:** The platform automatically scored the participants based on their answers.
- **Winners:** The top three participants with the highest scores were declared winners.
 - **First Place:** [Pdnya Wasnik] - [Science College Nagpur]
 - **Second Place:** [Avntica Zadegavkar] - [Science College Nagpur]
 - **Third Place:** [Yash Dorle] - [Science College Nagpur]

6. Awards and Certificates

- **E-certificates:** All participants received e-certificates for their participation.
- **Prizes:** The top three winners were awarded digital trophies and gift vouchers.

7. Feedback and Acknowledgments

- **Feedback Form:** A feedback form was circulated to all participants to gather their views on the event.
- **Acknowledgments:** The organizing committee thanked all participants, faculty members, and technical staff for their support and participation.

8. Follow-up Actions

Feedback Summary:

Participant Feedback:

Overall Satisfaction:-85% of participants rated the event as excellent.

Quiz Content: 90% of participants found the quiz content relevant and informative.

Technical Aspects: 80% of participants were satisfied with the technical execution of the event.

Areas for Improvement:

Some participants suggested improvements in the quiz interface for better user experience.

- A few participants requested additional time for completing the quiz.

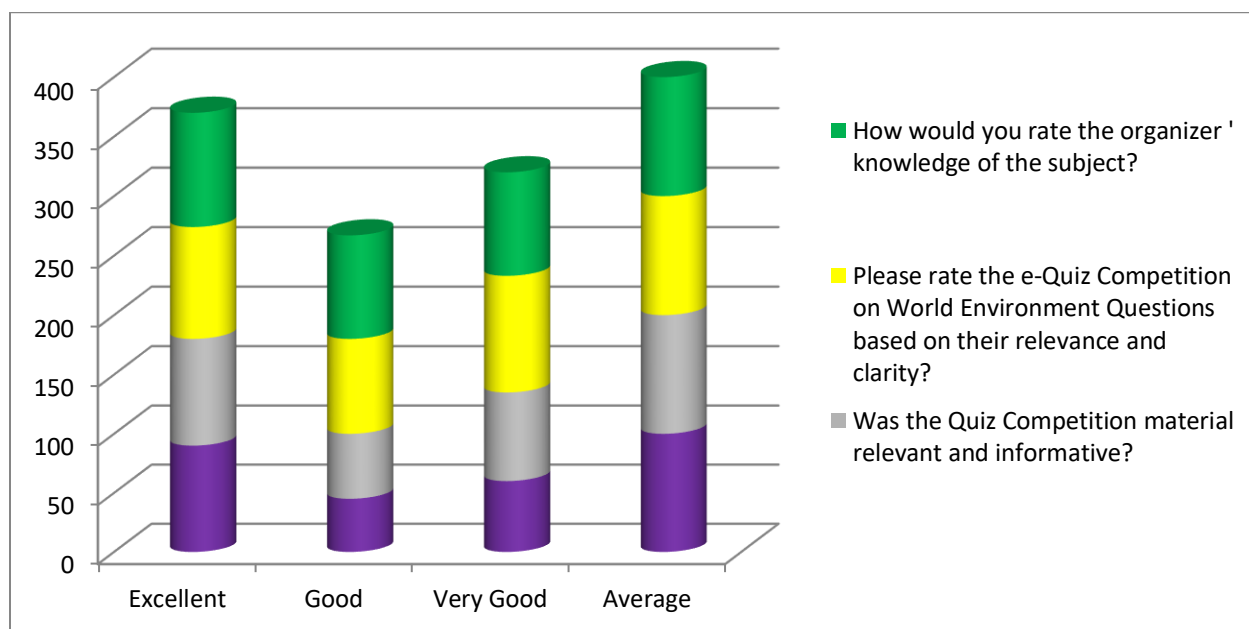

- **Awareness Campaign:** Based on the event's success, the Department of Botany planned to organize monthly webinars and workshops on environmental conservation and sustainable practices.
- **Social Media Campaign:** Continued efforts to promote plastic pollution awareness through social media posts and campaigns.

Conclusion

The Intercollegiate e-Quiz Competition was a successful event that met its objectives of raising awareness about aquatic plants and their impact on water resources. The feedback from participants was largely positive, indicating a high level of satisfaction with the event's content and execution. Areas for improvement have been noted for future events. The participation of Prof. & Head Punita Tiwari and the tree plantation by Dr. M. P. Dhore further enhanced the event's impact, contributing to the broader goal of environmental awareness. The Department of Botany looks forward to organizing similar events in the future to further the cause of environmental conservation
