Report

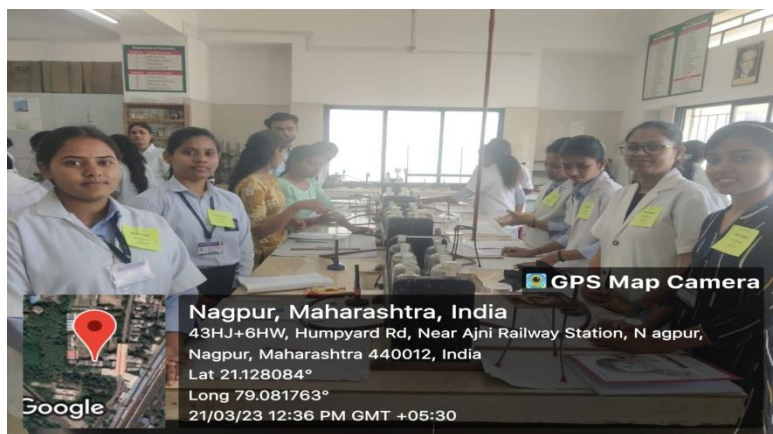

Dept. of Chemistry under the aegis of IQAC organized one day Interuniversity workshop on "Cosmetics and Allied Products" on 21st March 2023, Around 70 students from different university registered for the workshop. The workshop was inaugurated by Hon'ble Principal, Prof M.P.Dhore. The event was graced by the Chief guest Dr. Ketki Misal. She gave hands on training for preparation of Shampoo, phenyl and hand wash to the participants and interacted with them. The participants learnt skills related to production of soaps from aromatic oils. The hands on training were appreciated by the participants and they prepared hand wash and phenyl with great enthusiasm. The participants also attained knowledge and training on herbal oils and hand sanitizers.

The Students who participated in the workshop have learnt a lot which can give them self employment. The workshop was coordinated by Prof. R.A.Deshmukh.

Action Taken Report

Around 70 students from different university registered for the workshop

- Students got knowledge about synthesis of various flavored hand wash
- They got knowledge about various methods of preparing floor cleaner.
- They got practical knowledge about applying this technique and explained how to become a successful entrepreneur.
