College, Congress Nagar, Nagpur**

**Notice**

Department of Chemistry has organized workshop on “ Gravimetric Analysis” . All Students are informed to attend the workshop.

**Resource Person-** Dr. Rashmi D. Urkude

Professor, Science College, Nagpur

**Date-** 11<sup>th</sup> March 2025

**Time-** 10:00am

**Venue-** PG Laboratory, Department of Chemistry

Skoru

Head of Department  
Science College,  
Congress Nagar, Nagpur.

Nagpur

**SHRI SHIVAJI EDUCATION SOCIETY AMT'S  
SCIENCE COLLEGE,  
CONGRESS NAGAR, NAGPUR  
Department of Chemistry(PG)  
(Workshop on Gravimetric Analysis)  
Report**

The Post Graduate Department of Chemistry organized a workshop on Gravimetry Analysis on 11/03/2025. The workshop aimed to provide hands-on training and theoretical knowledge on gravimetric analysis techniques, understand the principles of gravimetry analysis, to know various gravimetric techniques and methods, to gain hands-on experience for gravimetry analysis, applications and limitations of gravimetric analysis. Dr. Rashmi Urkude, professor, Dept of chemistry, was resource person for workshop, provided expert lectures and hands-on training.

In first session, she informed the participants about, principle, importance, procedure in details, precautions to be taken during experiments, how to do calculations, various reactions taken during procedure, applications and other aspects related to gravimetry analysis.

In second session i.e. practical session, Dr. Urkude has given Hands-on training for gravimetric analysis. During this session Participants performed experiments under her guidance. Students from M.Sc. attended the workshop in large number.

Participants praised the workshop's organization, content, and hands-on training. They said they really enjoyed this effective workshop full of knowledge, perfection and practical training. They thank Resource person and coordinator Dr. S.V. Kene and faculty Ms. S. Sharma for organizing this useful workshop.

The workshop successfully achieved its objectives, providing comprehensive knowledge and practical skills in gravimetric analysis techniques.

Number of Beneficiaries-28

## Action Taken Report

Students were benefitted by this Workshop on “**Gravimetric Analysis**” The primary aim of this workshop is to enlighten students about the Analytical Technique. Dr. Rashmi Urkude, Professor, Science College, Nagpur led the session and provided invaluable insights to the participants. All the students are satisfied by this workshop and we will definitely arrange this type of Workshop in future.

## Feedback Analysis

1.How would you rate the overall quality of the workshop?

18 responses

2.Did the workshop meet your initial expectations?

18 responses

### 3. Content of the talk was linked to the Curriculum?

18 responses

### 4. Were the speaker Knowledgeable and engaging?

18 responses

5. Would you recommend this workshop to a colleague or friend?

18 responses

- Yes
- No
