World Ozone Day

SSES Amt's, Science College Congress Nagar Nagpur

Department of Chemistry

WORLD OZONE DAY

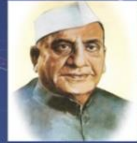

**Montreal Protocol - 2023 : Fixing The Ozone Layer and
Reducing Climate Change.**

16/09/2023

The poster features a central image of the Earth (globe) with a bright sun in the upper left and several red lightning bolts striking down. The background is dark with yellow and white streaks. The text is overlaid on this background. At the top, there is a yellow banner with the text 'Link for Registration'. In the top left corner, there is a small logo and the text 'World Ozone Day'. The main text includes the organizing institution 'SSES Amt's, Science College Congress Nagar Nagpur', the department 'Department of Chemistry', the event title 'WORLD OZONE DAY' in large white letters with a red lightning bolt graphic, and the theme 'Montreal Protocol - 2023 : Fixing The Ozone Layer and Reducing Climate Change.' in white. At the bottom, the date '16/09/2023' is displayed in white. There are also small circular icons in the bottom left and right corners.

Birth Anniversary Year**

Rashtrasant Tukadoji Maharaj Nagpur University Centenary Year

Program 1 - Guest Lecture

Time: 12:00 Noon

Venue : Conference Hall (B-block)

Join us on World Ozone Day for an enlightening guest lecture on protecting our ozone layer and preserving our planet's future By eminent speaker.

 World Ozone Day

Mrs. Hema Deshpande,

Regional Officer –

Maharashtra Pollution Control Board

(MPCB), Nagpur

Program 2 - Intercollegiate Poster Competition

Unleash Your Creative Power to Protect Our Ozone Layer: Join the Intercollegiate Poster Competition on World Ozone Day!

PRIZES :

First prize - ₹ 1000/- + Certificate.

Second prize - ₹ 700/- + Certificate.

Third prize - ₹ 500/- + Certificate.

Every Participants will get e-Certificates.

Rules for Poster Competition

1. No Entry fees.
2. Only 2 Entries from each college.
3. Maximum two students can participate for each poster.
4. Theme for Poster competition should be related to Ozone

Ozone Reactions , Ozone depletion, Fixing the ozone layer, Reducing climate change, Protection of Ozone Layers .

5. Size of poster 2 ft by 2 ft (0.6 m to 0.6 m).

6. Submit your Poster on or before 14/09/2023 before 1.00 pm to Department of Chemistry

For submission contact to Mr. Sandip Dautpure , Asst. Professor Department of Chemistry , Contact No : 9423635136, Miss. Prachi Khobragade, Department of Chemistry , 7263844279.

REPORT ON CELEBRATION OF THE WORLD OZONE DAY-2023

“ Montreal Protocol- Fixing the Ozone Layer and Reducing Climate Change”

Department of Chemistry SSES Amt's Science College Congress Nagar, Nagpur has organized a Guest Lecture and Intercollegiate Poster competition on the occasion of “World Ozone Day” on 16th September 2023.

The goal was to raise awareness about the phasing out of ozone depleting substances among students, teachers, and the general public in order to maintain the ozone layer.

The theme for this year is- “ Montreal Protocol- Fixing the Ozone Layer and Reducing Climate Change”

Mrs. Hema Deshpande, Regional Officer, Maharashtra Pollution Control Board (MPCB), emphasized the significance of celebration of Ozone day. In her deliberation she also discussed tropospheric ozone, usually known as bad ozone, and stratospheric ozone, also known as good ozone. The ozone in the stratosphere, is referred to as stratospheric ozone by absorbing the UV radiation, shields all life on Earth from the Sun's deadly UV rays. However, the principal pollutants in the atmosphere, especially nitrogen oxides and volatile organic compounds (VOCs), react to produce ozone, adequately in the troposphere. Ground-level ozone, or troposphere ozone, causes a lot of harm to human health and the environment. In her concluding remarks she reiterated welcome step towards the protection of stratospheric ozone in Montreal Protocol..

In order to raise awareness about how essential the ozone shield is for life on earth, the department has organized "Intercollegiate Poster competition" for UG and PG students, 51 students actively participated in the same. Prof. Punita Tiwari, Department of Botany and Prof. Kalpana Pawar, HOD of Department of Mathematics were worked as a judge for this competition.

1st prize of Rs. 1000/- bagged by Ms. Avantika Somkuwar, SSES Amt's Science College Congress Nagar, Nagpur, 2nd prize of Rs. 700/- by Ms. Akanksha Paraye, Kamla Nehru College, Nagpur, 3rd prize of Rs. 500/- by Ms. Ishan

Bhandarkar & Ms.Palak Katalkar, Mohata Science College ,Nagpur. Consolation prize was bagged by Ms. Masum Meshram, SSES Amt's Science College Congress Nagar, Nagpur.

In opening remarks of, Prof. R.U. Khope, Head Department of Chemistry, recommended usage of environmentally friendly cleaning products, and air conditioners without CFC refrigerants. Guest speaker was introduced by , Dr. V.R. Kinhikar. Dr. M. P. Dhore, Principal was presided over the function. In his presidential address he advised to discourage the use of CFC's. The program was conveyed by Dr. V. R. Kinhikar, Asst. Prof. Department of Chemistry and Mr. S.V. Dautpure and other Staff Members and students were prominently present on this occasion.

The session concluded with vote of thanks proposed by Ms.Ayesha (B.Sc.SemI) expressed gratefulness towards Prof. M. P. Dhore, Principal, SSES Science College, Nagpur for their valuable guidance and encouragement to make the event successful & Dr. R U Khope ,Head of department of chemistry for their cooperation & continuous support. The convener of the program was Dr.V.R.Kinhikar & Co-convener was Mr. S.V.Dautpure. The program was compared by, Ms. Shabahad Khan a student of M.Sc. Ist year.

Prof.P.S.Utale,Prof.Y.K.Meshram,Prof.J.K.Gunjate,Prof.R.D.Urkude, and Dr.P.N. Deshmukh graced the occasion and around 51 students were actively participated in this event.

Feedback Analysis

Session 2023-24

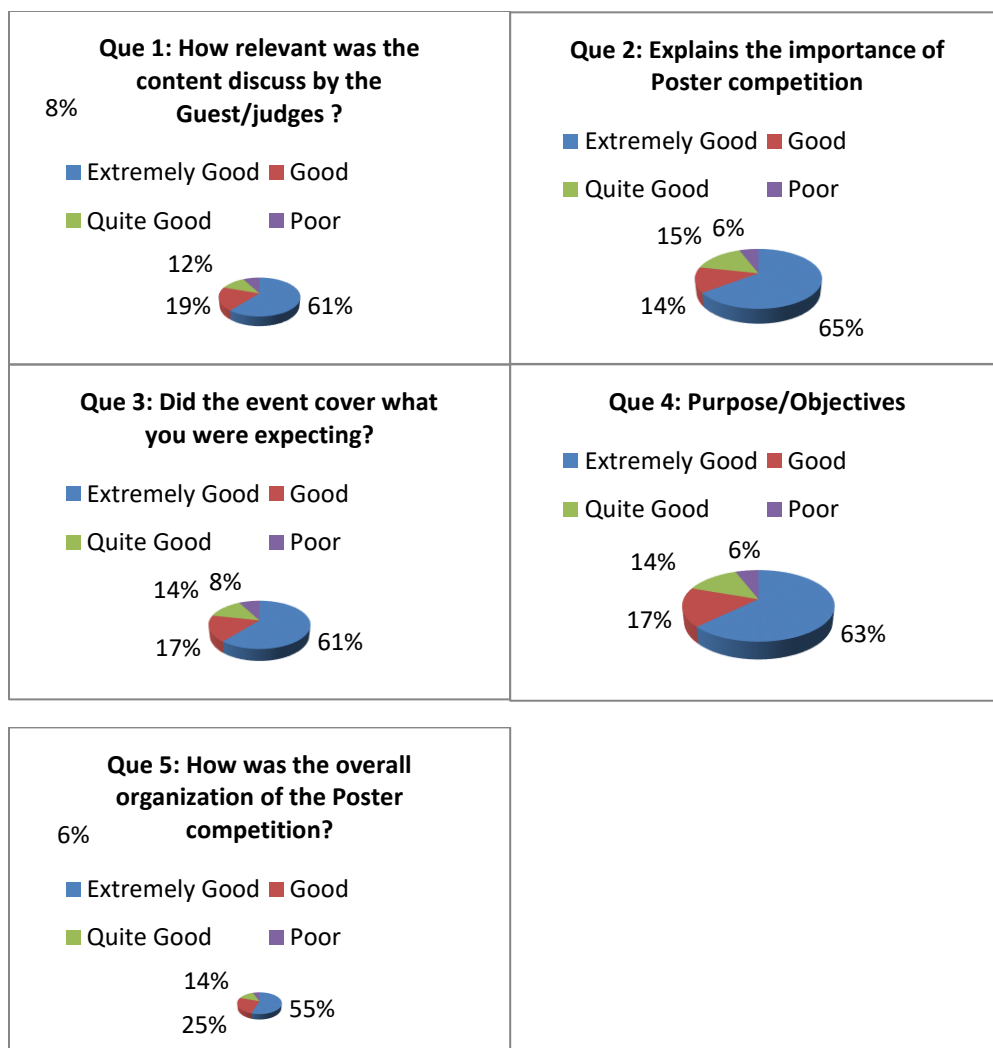

Topic of Guest Lecture: **Poster Competition** on the occasion of ,World Ozone Day celebration“ Montreal Protocol- Fixing the Ozone Layer and Reducing Climate Change”

Name of Guest :Mrs. Hema Deshpande, Regional Officer, Maharashtra Pollution Control Board (MPCP).

- 1) No. of students participated :51
- 2) No. of students submitted the feedback : 51
- 3) Question wise Analysis of the Feedback:

Date: 16/09/2023

Sr.No	Particular	Extremely Good	Good	Quite Good	Poor
1	How relevant was the content discuss by the Guest/judges?	61%	19%	12%	8%
2	Explains the importance of Poster competition	56%	20%	20%	4%
3	Did the event cover what you were expecting?	64%	18%	14%	4%
4	Purpose/Objectives	62%	14%	16%	8%
5	How was the overall organization of the Poster competition?	60%	16%	16%	8%

Action Taken Report:

On this occasion Department of Chemistry has also organized a “Inter Collegiate Poster Competition” for Students of Chemistry to develop awareness about how crucial the ozone shield is for the life on the earth among the society. Total 51 participants enthusiastically participated in this competition. Students from Shivaji Science College, Nagpur Ms.AvantikaSomkuwar and Ms.MausamMeshram bagged first and consolation prizes, respectively. Ms.AkankshaPagare from Kamla Nehru College won second prize and third position jointly secured by Ishan Bhandarkar and PalakKatolkar from Mohata Science College. Prof.P.S.Tiwari and Prof.K.N.Pawar worked as judges for poster competition.
