PG Student Visit to Raman Science

On Dated 16/01/2025

The Raman Science Centre and Raman Planetarium Complex at Nagpur is an interactive science centre affiliated with Mumbai's Nehru Science Centre. The center was developed to promote a scientific attitude, portray the growth of science and technology and their applications in industry and human welfare, and hold science exhibits. The center is named after famous Nobel Prize winner Indian physicist Chandrasekhar Venkata Raman. The Raman Science Centre was inaugurated on 7 March 1992 and the planetarium was started on 5 January 1997. The center is part of the National Council of Science Museums (NCSM), India which is also the largest network of science.

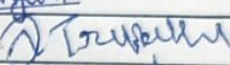

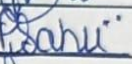

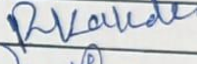

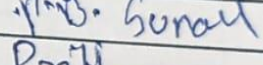

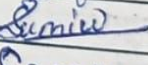

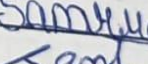

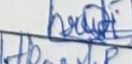

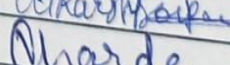

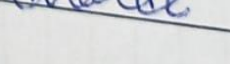

Students visited the **Science Expo and Innovation Festival from January 16-19, 2025**, where they gained knowledge from various fields. They explored different stalls, including those of CSIR-NEERI Nagpur, Geological Survey of India, Government Medical College and Hospital Nagpur, ICAR-CICR, JNARDDC, MOIL Limited, Nuclear Power Corporation of India Limited, and the Soil and Land Use Survey of India.

Our nearly 25 students of MSc Chemistry visited Raman Science Centre along with 3 teaching and 2 non-teaching faculty on Dated 16/01/2025.

Feedback and Action Taken

Action Taken Report

A total of 25 students accompanied by two teaching and one non-teaching staff benefitted from the "Science Expo and Innovation Festival on 16/01/2025 from January 16-19, 2025, in Raman Science Centre, Nagpur". The event successfully met its objective of raising scientific awareness and engaging the public with the wonders of science. In this Expo, students can promote scientific learning, encourage innovation and creativity, raise awareness of current scientific issues, inspire future scientists and innovators, enhance their engagement with science, and support their educational development. In the future, the students will be interested in joining such a visit.
