

EXAMINATION POLICY:

The College conducts End Semester examination (Odd Semester) at the end of each semester on behalf of Nagpur University. This end-of-semester examination comes on immediately after all academic lectures end. All students are supposed to attend and write examinations scheduled for them at the due date and time. Exam committee should ensure that students get prompt solution to their problems. We ensure harmonious student-faculty relationship. This cell also provides a platform to students for expressing their grievances freely and ensuring that it would be handled without any biases. We receive grievances and appeals to evaluate the genuineness and suggest remedial measures. Exam grievance and redressal cell thus ensure a fair, impartial and consistent way for redressal of various complaints lodged by students.
