---

Department of Geology, SSESAs Science College, Nagpur organized subject committee formation on Friday, 13<sup>th</sup> of October 2023 at 11:00 AM. The Programme started in the presence of Principal Prof. M. P. Dhore and other all department heads, teaching staff and students in the conference hall. All three years Geology students and faculty members were present in the hall. On the occasion of the Science Association all students of respective subject committees were felicitated by the guest.

## Action Taken Report on Geological Subject Society Formation

All the students who are interested in leadership become able to enhance their leadership skills and take initiative in all the activities of the department related to the subject. Students become able to enhance their communication skills as well. All three years Geology students and faculty members were present in the hall. On the occasion of the Science Association, all students of respective subject committees were felicitated by the guest and this time program will be organised in future too.

Felicitation of students of Geological Subject Societies office bearers and members in the presence of guest and principal.
