Department of Geology

Geological Field Excursion Tour

Date: 12th October 2022

Department of Geology arranged IInd year one day field excursion tour to Ramtek hill (Maharashtra). The tour was carried out in the presence of 3 faculty members and all second-year students. Many samples were collected by students for the departmental lab. and personal collections were also done. In this field mapping, lithology and rock sections were studied. In the end, Ram temple was explored. Field excursions were successfully completed enriching students' knowledge regarding field geology. Students have submitted their respective Geological Excursion Reports with necessary field samples and photographs.

Action Taken Report

Field excursions were successfully completed enriching students' knowledge regarding field geology. Students have submitted their respective Geological Excursion Reports with necessary field samples and photographs. Faculty decided to send students for more experienced based learning in the form of internships.

Hands-on training for all students and compulsory field visits to Ramtek.
