Session 2024 – 2025

Department of Geology

Organised “A Visit to Indian Meteorological Department Observatory”

On the occasion of

“Celebration of 150 years of IMD”

Date: 15th January 2025

Time: 2:00 – 5:00 PM

Department of Geology is organising “**A visit to Indian Meteorological Department Observatory, Nagpur**” On 15th January 2025 from 2:00 pm onwards on the occasion of celebrating 150 years of IMD. 22 Students along with 2 faculty. Two Scientists from IMD explained to students about various aspects of IMD and details of Their work. The museum visit was administered by their technical people and they also explained very well about their work. They also held an exhibition for the students about the different devices of IMD. Students also had an interaction and visited the Remote sensing room and labs. Lectures were also attended by the students regarding weather information in Vidarbha.

Action Taken Report

After the fruitful interaction with the scientists from IMD, the Department of Geology decided to visit this department or like this department in more and more institutions related to the subject in the local area and also have experiential learning about their different instruments.

Scientists from IMD explained the equipment and interacted with students

IMD actual observatory equipment's and students interaction
