Science College
Congress Nagar, Nagpur

Notice

All the students enrolled for Certificate course in Groundwater Exploration (Hydrology) are informed to attend 1 day workshop on 12th April 2024, Friday. It is Compulsory to attend the workshop as there will be Guest lecture followed by hands on training on well inventory and resistivity meter.

Date: 12 April 2024

Venue: Geology Department Lab.

Timing: 12:00 pm

Session 2023 – 2024

Department of Geology

Organised “One Day Workshop”

On the topic of

“Groundwater Exploration and Well Inventory Survey”

Guest Speaker

Miss Sayelli Tembhone (Scientist, CGWB, Nagpur)

Date: 12th April 2024

Time: 11:00 – 5:00 PM

Department of Geology, SSES's Science College, Nagpur organized a One Day Workshop on “**Groundwater Exploration and Well Inventory Survey**” on 12th April 2024 at 11:00 PM to 05:00 PM. The guest speaker was Miss Sayelli Tembhone, Scientist, CGWB, Nagpur. The Programme started in the presence of Principal Prof. M. P. Dhore. The topic of discussion was **Groundwater's importance, Artificial Recharge Techniques, and Resistivity meter usage**. All three years of Geology students and faculty members were present in the Department of Geology. This interaction aimed to give knowledge about groundwater resources and how they are useful for society. After the talk, a special session of the well inventory survey was carried out actively participated and interacted with the scientist. The program was successfully organized in the Department of Geology.

Action Taken Report

This interaction aimed to give knowledge about groundwater resources and how they are useful for society. After the talk, a special session of the well inventory survey was carried out actively participated and interacted with the scientist. The Department of Geology decided to organize such hands-on sessions in more numbers.

Miss Sayelli Tembhrne Delivering her lecture on groundwater.
