To,
Director and Head of Department,
Dongargaon Fluorite Mine,
Dongargaon, Ta. Warora, Dist. Chandrapur,
Maharashtra - 442907

Subject: Application regarding educational visit to Dongargaon Fluorite Mine.

Respected Sir/ Madam,

Apropos to the subject mentioned above, the students of B. Sc. IInd year Geology Department from Shivaji Science College Nagpur are keen interested in your work and want to visit your mine. They are total approx 41 students along with 3 staff members and 2 attendants. The list of students and faculty is duly attached with the application.

So please allow our students and staff to visit your Fluorite Mine.

Thanking You.

Session 2021 – 2022

Department of Geology

Geological Field Excursion

Date: 21st January 2022

Time: 7:00 AM – 10:00PM

Department of Geology, SSES's Science College, arranged a field excursion tour in Dongargaon Fluorite Mine with 58 students, and three staff members. It is an open-cast mine containing fluorite minerals and some structural features in the periphery of the mine-like fold. The manager of the mine gave a tour and explained the working system and the importance of the mine. All field excursions were successfully completed, enriching student's knowledge regarding field geology. Students have submitted their respective Geological Excursion Reports with necessary field samples and photographs.'
