Venue - Shri Shivaji Science College, Nagpur, Ground  
Date 31st August 2024  
Time 10.30. am

## Report on E vehicle Camp

In recent years, the push towards sustainable transportation has gained momentum, and electric vehicles (EVs) have become a focal point of this movement. To foster interest and engagement among young students, especially girls, a specialized E-Vehicle camp was organized in collaboration with the Central Bank of India (DNC Branch, Nagpur) Environmental Studies and Green Club. This camp aimed to introduce female students to the world of electric vehicles, provide hands-on experience, and the loan scheme for the girl students offer by the Central Bank of India.

The programme was initiated in presence of Principal Dr. O. S. Deshmukh, Branch Manager Mr. Mohan Pise and other Bank members, Convener of program Dr. P. B. Zamarkar, Green club coordinator Dr. Reshma Sonwalkar, Prof. Yogita Meshram and other teaching and non-teaching staff.

Principal Dr. O.S. Deshmukh has given the detail information about the program and importance of E vehicle and the main moto of this program. Mr. Mohan Pise also informed the students about the scheme running in the Central bank of India and the documentation required for this scheme for girl student all the necessary steps required to make their loan successful.

Students actively participated in the program and girls as well as boys clear their doubts regarding the scheme.

### **Objectives of the Camp**

1. **Education:** To educate students about the technology behind electric vehicles, including their environmental benefits, mechanics, and innovations.
2. **Inspiration:** To encourage girls to use E vehicle for pollution free environment.
3. **Hands-On Experience:** To provide practical experience with electric vehicles through interactive sessions.
4. **Networking:** To connect students with the Branch Manager, Central Bank of India.

### **Action Taken**

The E-Vehicle Camp for girl students successfully achieved its goals of education, inspiration, and hands-on learning. By fostering interest in electric vehicles and STEM careers, the camp has taken a significant step towards empowering young women and contributing to the future of sustainable transportation. With continued support and improvement, similar initiatives can have an even greater impact in encouraging and developing the next generation of innovators and leaders in the field of electric vehicles.
