GREEN CLUB

Organized

“Inauguration of Green Club and Plant Exhibition”

Theme- “One Student - One Plant”

Report

Session 2023-2024

16th September 2023.

Green Club of Shivaji Science College, Congress Nagar, Nagpur organized “Inauguration of Green Club and Plant Exhibition” on the theme- “One Student -One Plant” on 16th September 2023. On this occasion, Hon’ble Principal Prof M.P.Dhore was present as chairman, Dr. Rajdip D. Utane (Sant Gadge Maharaj Mahavidyalaya, Nagpur) as Guest speaker and expert, Dr. R. P. Sonwalkar Green Club Co-ordinator, Prof. R. N. Deshmukh (HOD), Prof P.S. Tiwari, Dr. R. H. Mahakhode, Dr. Sharayu Deshmukh, Prof. R. U. Khope, Dr. P. N. Deshmukh, Dr. Seema Kadu, Dr. Pranita Gulhane and students were present.

The Plant Exhibition was inaugurated at the hands of Chief Guest Dr. Rajdip D. Utane by the exhibition of various Flowering, Medicinal and Aromatic plants brought by the members of the Green Club. The Prime objective behind " One Student-One Plant" is that if a single student came to acknowledge the importance of a single plant and aim behind this event was every individual planted a tree. Convener of the program Dr Reshma Sonwalkar introduced the guest and briefed about the workshop.

During the workshop sir imparted the students with the critical knowledge of water conservation. Water scarcity is a pressing global issue that affects millions of people around the world. Rapid urbanization, population growth, climate change, and unsustainable water management practices are putting immense pressure on our water resources. Many regions are already experiencing water shortages, and if we continue on our current path, the situation will only worsen. But there is hope, each and every one of us has the power to make a difference through simple yet impactful actions to conserve water. Whether it's fixing leaky faucets, taking shorter showers, using water-efficient appliances, or adopting sustainable farming practices, every

little effort counts. Sir also explaining the objective behind Green Club and encouraged everyone to work in unity starting as an individual to serve for future generations.

Chairman of the workshop Hon'ble Principal Prof. M.P. Dhore appreciated the efforts taken by the green club and also highlighted the value of water in our life and necessity of water conservation.

The program was conducted by Dr. Reshma P.Sonwalkar Green club faculty coordinator. Green club committee member played important role in organizing the workshop in systematic manner. About 46 students and staff members were attended the workshop.
