1. Tanushree Jadhav
2. Awantika Somkuwar
3. Gayatri Nagpure

ACTION TAKEN:

On March 22, 2024, Science College in Congress Nagar, Nagpur, celebrated World Water Day by organizing a short video and poster competition under the auspices of the Green Club. The theme for this year's event focused on "Water Conservation through Personal Behaviour Change," aiming to raise awareness about the critical importance of water conservation in our daily lives. Participants showcased their creativity and commitment to environmental sustainability by producing engaging short videos and thought-provoking posters that illustrated innovative ways individuals can contribute to water conservation. The event not only fostered a spirit of creativity and competition among students but also served as an important platform to educate the community about sustainable water practices, inspiring everyone to take actionable steps toward preserving this vital resource.
