Women Grievance Redressal Cell
((Gender Sensitization))
Session-2022-2023

Date: 11/7/2023

The Women Grievance Redressal Cell is committed to providing a safe, supportive, and respectful environment for all female students and women associated with the institution. During the academic session 2022-2023, the cell remained proactive in addressing any issues that could affect women's welfare, ensuring a peaceful and harmonious atmosphere.

During the entire session of 2022-2023, the Women Grievance Redressal Cell did not receive any formal complaints or grievances under the gender sensitization at the Workplace from students and staff members. This reflects positively on the institution's environment and efforts to promote gender equality, mutual respect, and sensitivity.
