Short Report on Technology Transfer Agreement

Date: 30/04/2024

Parties Involved:

Developers: Tanvi Rajesh Deshmukh and Saloni Dinesh Paidlewar, students of Shivaji Science College, Nagpur.

Recipients: TLCs Environmental Company and Envinzoa Environmental Company.

Overview:

Tanvi Rajesh Deshmukh and **Saloni Dinesh Paidlewar**, under the mentorship of **Dr. Sarang Dhote**, Coordinator of the Shivaji Science Innovation and Incubation Centre at Shivaji Science College, Nagpur, have developed two smartphone applications designed to aid in Green audit and Environmental audit processes. The applications, "**EcoAware**" and "**EnviroCount**," are being transferred to **TLCs Environmental Company** and **Envinzoa Environmental Company**, respectively.

Key Points of the Agreement:

Applications:

EcoAware: Transferred to TLCs Environmental Company on 28/04/2024.

EnviroCount: Transferred to Envinzoa Environmental Company on 25/04/2024.

Purpose:

Both applications are intended to support the Green audit and Environmental audit services provided by TLCs and Envinzoa.

Licensing Terms:

The Developers grant each Recipient a non-exclusive, worldwide, royalty-free license to use, modify, reproduce, distribute, and sublicense the respective applications.

Proper attribution to the Developers is required by the Recipients.

Duration:

The agreement is valid for a period of five (5) years from the date of signing.

Confidentiality:

Both parties agree to maintain the confidentiality of proprietary information disclosed during the agreement.

The Recipients are prohibited from disclosing confidential information without the Developers' prior written consent.

Intellectual Property Rights:

The Developers retain all intellectual property rights to the applications.

The agreement does not confer any ownership rights to the Recipients.

Indemnification:

The Recipients agree to indemnify and hold the Developers harmless from any claims, damages, or liabilities arising from the use of the applications.

Governing Law:

The agreement is governed by the laws of India, with any disputes to be resolved through amicable negotiations.

Mentorship and Development:

The development of the applications was guided by Dr. Sarang Dhote, Coordinator of the Shivaji Science Innovation and Incubation Centre, Shivaji Science College, Nagpur.

Beyond IPR:

This Technology Transfer Agreement (TTA) extends beyond Intellectual Property Rights (IPR), emphasizing the practical application and utility of the developed technologies in real-world environmental auditing scenarios.

Conclusion:

This agreement marks a significant step in leveraging student innovation for practical environmental solutions, fostering collaboration between academia and industry, and contributing to sustainable environmental practices.
