Shivaji Science College Celebrates 125th Birth Year of Late Dr. Punjabrao Deshmukh with Remarkable Intellectual Property Achievements

Shivaji Science College is marking a momentous occasion this year as it celebrates the 125th Birth Year of Late Dr. Punjabrao Deshmukh, the esteemed founder and president of Shri Shivaji Education Society Amravati. This milestone is being honored with special tributes from the Shivaji Science Innovation and Incubation Centre at Shivaji Science College.

During this commemorative year, Shivaji Science College proudly announces the achievement of **125** Intellectual Property Rights (IPRs). These include Indian Copyrights, Kenya Copyrights, several patents filed, and numerous ideas from both faculty and students published in the Indian Patent Journal. The college's intellectual property reach has also extended to collaborations with institutions such as Tai Golwalkar Mahavidyalaya, Ramtek, St. Vincent Palloti Engineering College in Nagpur, Kamala Nehru Mahavidyalaya in Nagpur, and Sant Gadge Maharaj Mahavidyalaya in Hingna.

Dr. Sarang Dhote, the coordinator of Shri Shivaji Science Innovation and Incubation Centre, played a crucial role in guiding students and faculty members through the copyright filing, patent application, and publication processes. Under his mentorship, Shivaji Science College has achieved a remarkable milestone, becoming the first institution in the Vidarbha region to secure such a significant number of IPRs within a single year.

Prof. M. P. Dhore, Principal of Shivaji Science College, expressed pride and congratulations for the dedication and innovation shown by all students and faculty members involved in these intellectual property endeavors.

This achievement not only showcases Shivaji Science College's commitment to innovation and academic excellence but also highlights its substantial contributions to intellectual property development in the region.
