Science College, Nagpur

A Dental Check-up Camp was organized by the Department of Microbiology on 8th January 2025, in collaboration with Swargiya Dadasaheb Kalmegh Smruti Dental College & Hospital, Nagpur, to mark the 126th Birth Anniversary of Dr. Panjabrao alias Bhausahab Deshmukh. The event was graced by the presence of the chief guest, Dr. Juzer Rasul, and guest of honor, Dr. Ashish Lanjekar, along with Shri Hemant Kalmeghji, Hon'ble Executive Member of Shri Shivaji Education Society, Amravati, and Hon'ble Principal Prof. O.S. Deshmukh.

Dr. Omraj Deshmukh, the Hon'ble Principal, highlighted the importance of good oral hygiene in preventing cavities and expressed gratitude towards the dental team for offering basic treatments free of charge. The event was well-organized, by—Dr. Pranita Gulhane, the Convener, Dr. Pushpa Zamarkar, the Co-Convener, and Prof. Bobdey, the Coordinator—ensuring its smooth execution, marking it as a memorable and beneficial initiative for all attendees.

The event was a significant success, with a team of expert dentists offering valuable insights into maintaining oral health. They emphasized routine dental care and hygiene practices to prevent dental issues such as caries and other life-threatening diseases.

**Action taken:** A total of 323 individuals took part in the dental check-up camp. The dental check-up camp was a significant initiative aimed at promoting oral health awareness and providing accessible dental care. Through free consultations and treatments, the camp helped participants address a range of dental issues, from routine check-ups to more immediate concerns. It served as an opportunity for individuals, particularly those with limited access to dental services, to receive professional care and guidance. Additionally, the event underscored the importance of regular dental visits, educating attendees on the role of good oral hygiene in maintaining overall health and preventing serious dental conditions in the future. By offering these services, the camp made a positive impact on the community's health and well-being.
