Shri Shivaji Education Society Amravati's Science College, Congress Nagar, Nagpur organized webinar on "An Expert Talk on Mucormycosis: Myths & Facts" for making students and faculty members aware about the disease, side effects caused by Mucormycosis. Here in this talk Dr. Arvind Deshmukh guided all the participants about the precautionary measures to protect our self from this disease. In Covid-19 pandemic it is found that who so ever have undergone the treatment of steroid caused this disease in them and hence it was the responsibility of our institution to conduct an awareness program on Mucormycosis. The department organized the program on 31<sup>st</sup> May 2021 wherein more than 75 students and faculty members attended the program.

**DR. PRANITA B. GULHANE**
