Role of Soil Rejuvenator in Soil Health Management

By

Dr. Rajesh Pal

Manager- Microbiome

HiMedia Laboratories Pvt. Ltd., Nagpur

Workshop Objectives: United Nation's General Assembly declared 2023 as International Year of Millets on 5th March, 2021. Government of India has decided to celebrate IYOM, 2023 to make it peoples' movement so that the Indian millets, recipes, value added products are accepted globally. As a part of its celebration, Farmers Workshop is aimed at equipping farmers & Skill course students with the knowledge and practical skills of this present scenario to build an integrated and productive agriculture scheme as part of the farm business. The workshop will be hosted on-site at The Fetri Village near Nagpur. Technician from HiMedia Laboratories Pvt. Ltd., Nagpur will give training regarding different farming methods and role of soil rejuvenator in soil health management.

Workshop Benefits: Farmers workshop will focus on

- Information & tools needed to begin & manage a successful, productive agriculture.
- The practicalities & the challenges along the way of farming to overcome them.
- e-Certificates to all Participant Farmers & Students.
- Free Sample Distribution of Soil Rejuvenator to the Farmers.

Venue : Event Hall, Fetri Village, Dist. Nagpur

Date : 27/07/2023

Time : 11:30 am onwards

Organizing Committee

Dr. Pranita Gulhane
Convener

Prof. P.S. Utale
NSS Coordinator

Prof. Atul Bobdey
Microbiology Coordinator

Prof. Mahendra Dhore
Chairman & Principal

The Department of Microbiology organized a Farmer's Workshop on "The Role of Soil Rejuvenators in Soil Health Management" on July 27, 2023. This workshop, led by Dr. Rajesh Pal, Manager at Microbiome HiMedia Laboratories Pvt. Ltd., Nagpur, was conducted in collaboration with the NSS and sponsored by HiMedia Laboratories Pvt. Ltd. It took place at the Event Hall in Fetri Village, Dist. Nagpur.

The program was honored by the presence of Hon'ble Chairman and Principal, Prof. Mahendra P. Dhore, along with Coordinator Prof. Atul Bobdey, NSS Coordinator Prof. P.S. Utale, and Program Convener Dr. Pranita Gulhane. The workshop aimed to equip farmers and skill course students with essential knowledge and practical skills for managing soil health and implementing effective agricultural practices. It focused on enhancing participants' understanding of soil rejuvenation to foster a more integrated and productive agricultural system.

Action Taken:

In this workshop, farmers gained valuable knowledge and information about modern agricultural practices and soil health management. Approximately 15 farmers attended the event, which proved to be highly beneficial. The workshop offered practical insights and hands-on guidance, helping farmers understand how to effectively use soil rejuvenators to enhance soil health. Participants left with actionable strategies and a deeper understanding of integrating these practices into their farming routines, contributing to more sustainable and productive agriculture.
