The Department of Microbiology conducted a one-day workshop titled “COVID-19 Detection by RT-PCR Method” at Dhruva Pathology Lab, Nagpur, on January 28, 2023. The event was graciously supported by Hon’ble Principal Prof. Dhore, Coordinator Prof. Bobdey, and Convener Dr. Pranita Gulhane, providing PG Microbiology students with a valuable opportunity to learn advanced molecular biology techniques.

Action Taken:

A total of 40 students participated in the workshop, gaining hands-on experience and theoretical knowledge in RT-PCR methodology. The practical sessions enabled students to understand the intricacies of COVID-19 detection and the application of molecular techniques in diagnostics. Additionally, the workshop included discussions on the latest advancements in molecular biology, enriching students' understanding of the field. The practical insights and expert guidance offered during the workshop significantly contributed to their academic and professional growth.
