Session 2020-2021

Organizes

**National Workshop on Effective Research
Paper Writing**

Date-31/05/2021

Shri Shivaji Education Society's Science College, Congress Nagar, Nagpur, hosted a National workshop on “Effective Methods of Research Paper Writing and its Presentation” on May 31, 2021. The event was conducted via the Google Meet digital platform and aimed to raise awareness among students and faculty members about the skills in research paper writing and its presentation, including its side effects and precautionary measures.

The webinar began with the virtual arrival of dignitaries and a verbal welcome extended to them. Dr. Pranita Gulhane, Dr. Arvind M. Deshmukh, President of the Microbiologists Society of India. Dr. Deshmukh delivered an insightful session on Effective Methods of Research Paper Writing and its Presentation highlighting the skills in it, emphasized the reasons of back journey of research papers for rewriting.

Following the expert talk, a question-and-answer session allowed participants to engage directly with Dr. Deshmukh, seeking clarification and further information on the topic. The session concluded with remarks by Prof. Mahendra P. Dhore, Principal of S.S.E.S.A's Science College, who provided a thoughtful summary of the key points discussed.

The program was anchored by Dr. Pranita Gulhane, and the vote of thanks was delivered by Mrs. Madhuri Walvekar. The webinar saw a robust attendance of 27 students and faculty members, reflecting a strong interest and engagement with the subject matter. The positive response to the interactive session underscored the value of the information shared by the eminent expert in Microbiology and Biotechnology. 21 college students and 57 out door participants were attended the workshop.

Action Taken: In this workshop, the guest speaker provided valuable information on the topic on Effective Methods of Research Paper Writing and its Presentation highlighting the skills in it, emphasized the reasons of back journey of research papers for rewriting. Attended by 27 students, research scholars and faculty members, the session effectively raised the skills in the facts and skills of writing papers in microbiology. Participants learned about the general mistakes done during the writing of research papers.
