Educational Visit

to

“Raman Science Centre and Planetarium”

Date: 17/01/2025

An educational visit to the “Raman Science Centre and Planetarium”, Nagpur, was organized to enhance the learning experience of the students and provide them with an opportunity to explore various scientific principles through interactive exhibits and demonstrations. On January 17, 2025, M.Sc. 1st year and 2nd year Microbiology students, accompanied by their teachers, visited the centre to attend the panel discussion entitled “Technologies for Net Zero & Circular Economy”.

The centre, named after the Nobel laureate C.V. Raman, offers an array of exhibits related to physics, astronomy, and technology that encourage students to think critically and inquisitively. This exhibition was part of the “Science Expo and Innovation Festival,” which has been hosted by the Raman Science Centre and Planetarium from January 17, 2025, to January 19, 2025.

Action Taken: A total of 73 students attended the panel discussion and visited the exhibition.

The visit offered them an exciting opportunity to delve into innovative scientific concepts and explore new ideas with great enthusiasm. The experience was both educational and inspiring, providing valuable insights into the latest advancements in science and fostering a deeper appreciation for scientific research and innovation.
