Scientific working model competition on LIFE SCIENCE

Date- 05/04/2022

The Department of Microbiology and Biotechnology held a Scientific Working Model Competition on April 5, 2022, focusing on the theme of Life Science, with judging by Prof. Punita Tiwari and Prof. Sharayu Ghonmode. The event was organized under the chairmanship of Hon'ble Prof. Mahendra Dhore, Principal of Science College, Nagpur, and coordinated by Respected Prof. Atul Bobdey, with Dr. Pranita Gulhane serving as Convener. A total of 41 participants, comprising both group entries and individual submissions from UG Microbiology and Biotechnology as well as PG Microbiology, competed. Ms. Vaishnavi Shimpi and Ms. Sayoli Dharamshahare from the B.Sc II CMBT group clinched the first prize, Neha Mahant and Aishwarya Mohatkat from M.Sc I year secured the second prize, and Akshara Irkulwar and Deepti Charde from M.Sc I were awarded the third prize. The event highlighted exceptional talent and innovative approaches, underscoring the excellence in research and creativity within the life sciences. Special thanks to the judges and organizers for making this event a great success and fostering academic excellence. Congratulations to all the winners for their remarkable achievements.

Action taken: A total of 41 students took part in the Scientific Model Making Competition, which greatly encouraged innovation by giving them a chance to present creative solutions to scientific challenges and apply theoretical knowledge to practical situations. The competition provided essential hands-on experience in model design and construction, while also honing skills in research, problem-solving, and presentation. It motivated students to explore life sciences more deeply and heightened their awareness of the significance of scientific research and innovation. Furthermore, the successful execution of the event enhanced the institution's reputation for advancing scientific education and will guide the planning of future impactful events.
