Puneet Sagar Abhiyaan 2023-24 with special reference G20 presidency NCC army wing organised a series of events from 6 to 8 sep 2023. Puneet Sagar Abhiyan was launched by NCC to clean Sea Shores/Beaches and other water bodies including rivers & lakes, of plastic & other waste and increase awareness amongst the local population about importance of keeping the beaches and river fronts clean. This unit organised the Awareness Rally on G-20 and prevention of Plastic Pollution. Posters were made by 5 cadets. In which Our cadets, Shreya Parihar won 2nd prize in a poster making competition.

# Empowering youth: Fostering nationalism and cleanliness

## NCC cadets awarded for role in Puneet Sagar Abhiyan

LOKMAT NEWS NETWORK  
NAGPUR

**I**t was not about who won what in this unique programme of beaming youngsters of National Cadet Corps (NCC) conducted at the Guards Regimental Centre auditorium at Kamptee on Thursday but more about being close to battle hardened and trained men in uniform.

A feeling of nationalism pervaded the atmosphere as the cadets were honoured at the hands of General Officer Commanding Uttar Maharashtra and Gujarat Sub-area, Major General S K Vidyarthi, AVSM, SM. The event was organised to mark social awareness and cleanliness activities conducted by NCC cadets throughout the year under the "Puneet Sagar Abhiyan". Various senior ranking Army officers, ANOs, military staff and 300 NCC Cadets participated in the programme.

Activities under Puneet Sagar Abhiyan were conducted

Maj Gen S K Vidyarthi, Maj Gen K J S Rathore, Brig K Anand and other officials with NCC cadets.

in sync with the Centre's vision voiced during the G20 presidency 'Amritkaal Mahotsav' and social responsibility mandate.

According to the defence ministry, a total of 3.4 lakh NCC Cadets have collected approximately six tonnes of plastic waste which has been reused for road construction under an MoU with NHAI. The NCC units and cadets of Nagpur Group undertook various activities like online quiz, essay writing and poster mak-

ing competitions, awareness rally and campaigns regarding single use plastic. The objective was to reduce plastic use, conserve the environment and water bodies through institutions and public partnership drives and engage with citizens to sensitize them about the ills of plastic waste.

A prize distribution ceremony was also organised on this occasion to award students who excelled in the competitions.

The NCC Group Nagpur

initiative witnessed encouraging participation by the citizens who engaged in clearing water bodies chiefly the Futala lake bank and the Ambazari lake area of plastics in various forms.

The NCC at a national level has collaborated with industry academia and ITs to recycle and utilise collected plastic waste. Cultural programmes, including group dance and group songs were presented by 4 Mah Bn NCC, Nagpur and 3 Mah Girls Bn NCC.
