World Environment Day is celebrated every year on the 5th of June and aims at raising awareness and celebrating environmental action. World Environment Day under Mission Life Programme- is celebrated on 5 June 2023. Cadets actively participated in the Life pledge for the environment on 24 May 2023 which was to invest in our planet. A pledge was taken by the cadets to save the environment . She also gave the message to the students to contribute their part in protecting nature by performing sustainable practices.

A pledge was taken by the cadets to save the environment on the occasion of World environment day is celebrated on 5 June 2023
