On December 28, 2023, the Department of Microbiology, National Service Scheme (NSS) in collaboration with Swargiya Dadasaheb Kalmegh Smruti Dental College & Hospital, Nagpur, organized a Dental Check-up Camp to commemorate the centenary year of Rashtrasant Tukadoji Maharaj Nagpur University and the 125th birth anniversary of Dr. Panjabrao alias Bhausaheb Deshmukh. The event was inaugurated by Chief Guest Dr. Ashish Lanjekar and Guest of Honour Dr. Juzer Rasul, in the esteemed presence of Hon'ble Principal Prof. Dhore and Prof. R.N. Deshmukh.

The program, coordinated by Prof. Bobdey and convened by Dr. Pranita Gulhane, was a notable success, benefiting the college's teaching and non-teaching staff, as well as students. The free dental check-up camp offered valuable oral health assessments, and each participant received a complimentary mouthwash sample provided by the team of doctors. This initiative not only supported dental health awareness but also reinforced the institution's commitment to community well-being.

Action Taken:

During the dental check-up camp, over 168 individuals underwent dental evaluations. The guest speaker provided crucial insights into maintaining optimal dental hygiene, covering preventive care and effective brushing techniques. Participants benefited from personalized dental check-ups and professional advice, which included guidance on managing common dental issues, reducing plaque buildup, and understanding the importance of regular dental visits. Many attendees reported improvements in their dental care routines and expressed appreciation for the practical tips offered. The camp not only enhanced awareness about oral health but also encouraged participants to adopt healthier practices, leading to better overall dental hygiene and preventive care in the future. At the camp, the organizers provided mouthwash to all attendees.
