

# Report on Defensive Driving Awareness Program attended by N.S.S Unit at Vasant Rao Deshpande Hall

Date : 6<sup>th</sup> March 2022

Right to life and safety is a fundamental right of any citizen. This is guaranteed under the constitution of every country in the world including India. By the year 2020, road accidents would be the third biggest cause of deaths in the world, says the WHO report.

There is a need for a proper policy on road safety and its implementation and education, and the medical facilities should be of a very high quality in order to give first aid to the victims, especially on the highways. Road safety does not happen accidentally, but requires deliberate efforts by government and its many partners. Too often, road safety is treated as a transportation issue, not a public health issue, and road traffic injuries are called "accidents", though most could be prevented.

To Aid this a Defensive driving awareness program was attended by N.S.S Unit at Vasant Rao Deshpande Hall on 6<sup>th</sup> March 2022 which was organized by "Yuva Daud Manch" to create Road Safety Awareness among students.

The students were guided in presence of our N.S.S Program Officer, Dr. Prashant Utale.  
A total of around 20 students joined the activity.

Dr. Prashant Utale
