ACTION TAKEN :

The N.S.S. team of Sri Shivaji Science college had organized the 7 days camp “Swachh Bharat Abhiyan” from 5 Jan to 11 Jan 2020. Behalf of this on second day i.e on 6 Jan 2020 camp organized campus cleaning work, from this work volunteers can understand the importance of the cleanliness and maintained the discipline in our day to day life. Also student can learn how to keep cleanliness to our surrounding where they live. Regularly waking up early and doing yoga for a healthy body.

At 2 pm we had guest lecture on biodiversity by Dr. Nitin Dongarwar assistant professor of botany of RTMNU Nagpur. After guest lecture all volunteers involved in sport activity. At 8 pm we had dinner.

1. Pre-Camp Preparation:

- A planning committee was formed to oversee the event logistics and coordination.
- Awareness sessions were conducted with the volunteers to familiarize them with the goals and activities of the Swachh Bharat Abhiyan.
- Necessary materials and resources, including cleaning supplies, safety gear, and educational pamphlets, were procured.

2. Implementation of Activities:

- **Community Clean-Up Drives:** Volunteers were organized into teams and assigned different localities within the community. These teams carried out

extensive clean-up activities, including the removal of waste, debris, and litter from public spaces such as parks, streets, and markets.

- **Educational Workshops:** Workshops and seminars were conducted to educate community members about the importance of sanitation and effective waste management practices.
- **Waste Segregation Drives:** Initiatives to promote waste segregation at source were introduced, with volunteers assisting households in setting up separate bins for dry and wet waste.

3. **Monitoring and Evaluation:**

- Daily feedback sessions were held to monitor the progress of the activities and address any issues encountered.
- At the end of the camp, a comprehensive evaluation was conducted to assess the impact of the cleanliness drives and workshops. The feedback gathered from participants and community members indicated a positive response and increased awareness about sanitation practices.

4. **Post-Camp Activities:**

- The camp concluded with a closing ceremony where volunteers were recognized for their efforts and contributions.
- A detailed report highlighting the achievements and areas for improvement was prepared and shared with the stakeholders.

Results and Outcomes:

The Swachh Bharat Abhiyan camp successfully achieved its goals, contributing significantly to the cleanliness of the community and raising awareness about the importance of sanitation. The active participation of volunteers and the engagement of community members led to noticeable improvements in public hygiene and waste management practices.

The NSS team will continue to follow up on the implemented measures to ensure their sustainability and consider further initiatives to maintain and enhance the cleanliness efforts initiated during the camp.
