Student Induction Programme held at Shri. Shivaji Science College

1st Oct 2021, Nagpur: “I can” is sometimes more important than “IQ” – Dr Sunil Pande, Ex-HOD, Department of Physics, Ramdeobaba College Of Engineering & Management (RCOEM). Students Induction Programme was organized for the newly inducted M.Sc. Physics Students of 2021 at Department of Physics, Shri Shivaji Science College, Nagpur. Due to the Covid-19 norms, the program was held in online mode.

Dr. Sunil Pande, Ex-HOD, Department of Physics, RCOEM was the Chief guest to address the students. While speaking he stated that the study of Physics is also an adventure. You will find it challenging, sometimes frustrating, occasionally painful and often richly rewarding. Further, he added, Imagination is more important than knowledge. Students should not study only from the examination point of view, but they should grab all the basic knowledge of physics. He motivated and inspired all the students with his remarkable speech.

All students of M.Sc. Physics introduced themselves during this function and he was also introduced to the new students. Dr. S. W. Anwane, Professor & Head of the department introduced all the students to various facilities at the Department of Physics. He appealed to the students to take advantage of all the sophisticated instruments available in the laboratory. Dr. M.P Dhore, Principal presided over the function and addressed the gathering. He appreciated the Physics department as one of the most disciplined departments of the college. He narrated the glorious achievements of the college and appealed to the students to work hard to maintain the glorious tradition of the department.

On this occasion, faculty Members Dr Gajanan Jadhav, Prof Ruchir Kumar and Prof Yashpal Pawar addressed students. Prof Isha Kapte compared the programme. The presence of other faculty members includes Prof Roshni Pahuja, Prof Amit Meshram, Prof Chaitanya Gajbhiye, Swapnil Sureshrao Pote.

Action Taken: The department ensures a comprehensive and supportive induction program that helps new students transition smoothly into the department and sets them up for success. Mentors are assigned to new students. Academic advising and guidance were offered. Information on departmental events and activities were also provided. Students were encouraged to join departmental clubs or organizations. Development of student handbook or guide was carried.
