1st Oct 2018, Nagpur :Dr. Vilas A Tabhane, Emeritus Professor of Physics, Post Graduate Teaching Department of Physics, Pune University, introduced to the students the age old traditional topic of Waves and Oscillations in a very innovative way along with exciting applications. His lecture was attended by UG and PG students at Shri Shivaji Science College, Nagpur. The Programme started with the welcome address by Dr. S. W. Anwane, Head, Department of Physics. M Sc II student Ms Rupal Raut conducted the programme, Dr. S. S. Darokar introduced the guest and M Sc I student Sagar Paikamare proposed the vote of thanks.

Deliberating a guest lecture Dr. Vilas Tabhane explained the basics of waves and oscillations, and visually depicted applications of Waves in all fields.

The programme was attended in large numbers by the PG and research students as well as UG students along with the the faculty members. Dr C J Chandekar, I/c Principal, Shri Shivaji Science College appreciated the office bearers of the Physics Society who worked hard for success of the programme.

**Action Taken:** The main aim of this guest lecture was to ensure a successful and engaging guest lecture on waves and oscillations, promoting a deeper understanding of the subject and its applications. Supporting resources or readings on waves and oscillations were provided. Hands-on training or workshops on related experiments or simulations were also offered. Participants were encouraged to apply lecture concepts to their research or projects.
