Education Visit to Pee Vee Textiles

Date: 22/03/2022

Pee Vee Textiles Limited (PVTL) is a prominent textile manufacturer based in Jamb, Tehsil Samudrapur, Wardha District, Maharashtra, India. Established in 1986, the company specializes in the production of synthetic and cotton blended fabrics. Its manufacturing facilities include a spinning unit with an installed capacity of 7,680 spindles, set up in March 1990, and a weaving unit equipped with 616 state-of-the-art Toyota air-jet looms. This weaving unit has an annual capacity of approximately 84 million meters of greige fabric, offering a diverse range of designs and weaves.

The students of UG and PG of Department of Physics, office bearers of Physics Society along with two permanent staff Dr. S. V. Khangar and Mr. B. T. Kumbhare from Shri Shivaji Education Society Amravati's Science College, Congress Nagar Nagpur visited to Pee Vee Textiles which is located at Jamb Dist. Wardha on 20/03/2022. Throughout the day, the students gained valuable insights into the practical aspects of production of synthetic and cotton blended fabrics.
