Students Induction Programme

SIP 2023

**For FIRST YEAR STUDENTS of
B.Sc. & B.C.A.**

Academic Year 2023-24

Shri Shivaji Education Society, Amravati's

SCIENCE COLLEGE

Congress Nagar, Nagpur

Students' Induction Programme 2023

Preamble

In the academic year 2023-24, the institution conducted a comprehensive 5-day Students' Induction Programme in accordance with the directives and mandates set forth by the University Grants Commission. This initiative aimed to acclimate approximately 400 incoming students to the academic environment and ethos of the institution. The programme provided a platform for students to engage with the leadership, faculty, and external experts, fostering a sense of belonging and community.

During this enriching programme, the Principal, along with Heads of various departments, and selected teacher representatives, actively interacted with the students, imparting valuable insights and guidance. Additionally, the presence of distinguished external speakers served as a source of inspiration and knowledge for the students.

The programme commenced on the 22nd of August 2023, setting the stage for a week of immersive learning and holistic development. It culminated on the 26th of August 2023, leaving an indelible mark on the participants.

Throughout the course of the programme, students benefited from the expertise and wisdom of both internal and external experts, gaining valuable insights into their chosen fields of study. They also demonstrated commendable enthusiasm in sports activities and dedicated themselves to preparing for the cultural event.

The pinnacle of the Induction Programme was reached on the final day, the 26th of August 2023, when the newly inducted students of B.Sc. and B.C.A. Semester-I came together to present a captivating Cultural Programme, showcasing their diverse talents and cultural heritage. This report provides a day-by-day account of the activities conducted during the Induction Programme, offering a detailed overview of the proceedings and outcomes. It serves as a testament to the collective efforts of the institution in nurturing the potential and aspirations of the incoming students.

ACKNOWLEDGEMENTS

We take this opportunity to extend our heartfelt gratitude to all the individuals whose tireless efforts and dedication contributed to the resounding success of the programme. Their collective endeavors ensured that every aspect of the event, from hall decoration to cultural performances, ran seamlessly.

Prof Prashant Utale, Dr Rupali Mahakhode, Dr R P Sonwalkar, and Mr. B T Kumbhare demonstrated exceptional proficiency in overseeing hall decoration, flower arrangement, and lighting of lamp (*samai*) arrangements. Their meticulous attention to detail transformed the venue into a visually stunning setting that left a lasting impression on all attendees.

The cultural programme's preparation, rehearsal, and final execution were expertly managed by Prof J K Gunjate, Prof Y K Meshram, Prof P S Tiwari, and Dr Mrs. R N Pathare. Their guidance and expertise were instrumental in bringing out the best in our talented performers.

Under the able leadership of Dr J K Keche, Dr Manish Wanjari, Dr Atul Bodke, Mr Yogesh Kase and Arif Sheikh, the video recording and audio-visual presentation were executed flawlessly. Their technical support ensured that the audience experienced a seamless and immersive visual and auditory experience.

Mr Prashant Kundalkar, a dedicated non-teaching staff member, went above and beyond in capturing the essence of the event through his keen-eyed photography. His efforts, along with those of Mr Yogesh Kase and our student volunteers, enriched the photo-gallery with candid moments and vibrant snapshots. Moreshwar Dandekar, Aniket Shende and Ashish Gupta rendered their services whole heartedly.

Mr Umesh Dhumale, another invaluable non-teaching staff member, took it upon himself to ensure that our esteemed guests were presented with thoughtful mementos, along with bouquets, *shawl & shریف*. His attention to detail and hospitality added a touch of warmth and appreciation to the proceedings.

Dr S V Ghonmode and Dr Vrushali KINHIKAR played a pivotal role in evaluating the performances during the cultural programme. Their expertise ensured that the deserving participants were duly recognized and awarded. The students who volunteered to record attendance through daily signatures also deserve special commendation for their diligence and commitment. A couple of newly inducted students expressed their gratitude towards this feast SIP-2023 that was coordinated for them by teachers and staff.

Dr. Ms. Pushpa Zamarkar and Dr. Ms. Pooja Dadhe played pivotal roles in orchestrating the proceedings. Their eloquence and stage presence were truly commendable. They ensured a

smooth flow of the program and kept the audience engaged throughout. Their tireless efforts were instrumental in maintaining the event's momentum.

Furthermore, the success of the event was also made possible through the invaluable support provided by Dr. P.N. Deshumkh, Dr. Shahin Sayyad, Dr. Prashant Utale, Dr. Sarang Dhote, Mr. Vishal Kharchwal. Their assistance in various aspects of the program, from logistical arrangements to content curation, played a significant role in its overall success.

Special mention must be made of Prof. R.D. Urkude and Mrs. Bramhankar, who provided exceptional coordination support for the alumni's program. Their expertise in this area was instrumental in ensuring a seamless and enjoyable experience for all participants.

Dr. Gajanan Jadhav took charge of the media reports, ensuring that the entire activity was well-documented and could be shared with a wider audience. His meticulous attention to detail and dedication to the task greatly contributed to the overall success of the event.

Additionally, Mr. Ajay Zodape, our dedicated accountant, played a crucial role in processing all the necessary bills. His efficiency and accuracy in handling financial matters ensured that the event ran smoothly without any hiccups.

Last but certainly not the least, we must express our heartfelt gratitude to you, Dr. M.P. Dhore, for your unconditional support and freedom. His trust in our abilities and continuous encouragement have been invaluable in making this event a reality.

In conclusion, the success of the event is a testament to the collective effort, dedication, and teamwork of all involved. We are grateful for the opportunity to have worked with such a committed team, and we look forward to many more successful endeavors in the future.

Once again, our deepest appreciation goes out to each and every person involved. We look forward to more successful collaborations in the future.

Report on Students' Induction Programme at Shri Shivaji Education Society Amravati's Science College, Nagpur (DAY-1, Session-1)

The vibrant aura of a new academic year began with great fervour as the Students' Induction Programme and Inauguration Ceremony took place at our esteemed institution, Science College, NAGPUR. The event was graced by the presence of our honorable Principal-SVPCET, Dr. Surendra Gole, whose words of wisdom and guidance set the tone for the upcoming journey of the newly admitted students.

Event Details:

- **Date:** 22/08/2023 11:00 am
- **Venue:** Conference Hall, Science College, Nagpur

Dr. Surendra Gole, in his inaugural address, captivated the audience with his insightful thoughts. He illuminated the path of self-realization as the key to achieving par excellence and success in life. Drawing inspiration from the natural world, he likened the properties of sandalwood, sugarcane, and gold to the unique qualities that lie within each individual. He stressed that recognizing and nurturing these inherent strengths is pivotal for exceptional performance. "Know yourself," he emphasized, "Identify your strengths and weaknesses, and harness your unique potential to deliver your best."

Motivational speaker Dr. Surendra Gole's words resonated deeply with the audience, offering them a perspective that transcends academic pursuits. Dr. Shyamkant Anwane, in his introduction, provided a glimpse into the illustrious career path of Dr. Gole, offering students a tangible example of how self-realization can lead to remarkable achievements.

The primary objective of this induction programme is to infuse the ethos, practices, and spirit of our institution within the hearts of our new students. This sentiment was echoed by Prof. M. P. Dhore, the Principal, as he addressed the gathering. His presidential address conveyed the essence of the college and its unique attributes, aiming to inspire students to fully embrace the opportunities that lie ahead.

The proceedings were smoothly orchestrated by Dr. Ms. Pushpa Zamarkar, who effortlessly guided the event as the compere. Expressing gratitude, Dr. Ms. Pooja Dadhe extended the vote of thanks, acknowledging the collective effort that made the event a success.

With a sense of unity and renewed enthusiasm, the programme concluded with the uplifting notes of the national anthem, symbolizing the shared values and aspirations that bind our institution's community together. The Students' Induction Programme and Inauguration Ceremony marked the beginning of an educational journey, rich with promise and potential.

Report on Students' Induction Programme at Science College, Nagpur (DAY-1, Session-2)

The Students' Induction Programme at Science College, Nagpur, was held with great enthusiasm and success. The event aimed to welcome and orient the newly admitted students, providing them with valuable insights and inspiration as they embark on their academic journey. Eminent speaker, Dr. Yashwant Shitole, graced the occasion with his presence and shared his thoughts on time management and success strategies.

Event Details:

- **Date:** 22/08/2023 2:30 pm
- **Venue:** Conference Hall, Science College, Nagpur

The programme commenced with a warm welcome extended to the incoming students, who were eager to embrace this new phase of their academic life. Dr. Yashwant Shitole, a distinguished speaker and an expert in his field, delivered an enlightening address to the students.

Key Points from Dr. Shitole's Address: Dr. Yashwant Shitole's address revolved around the significance of time management and the crucial role it plays in achieving success. He emphasized that effective planning and utilization of time are paramount for personal growth and accomplishment.

Drawing from his own experiences, Dr. Shitole shared insights on how a well-organized routine, coupled with strategic time allocation, can help students excel academically while also maintaining a balanced life. He stressed the importance of surrounding oneself with positive and supportive friends who contribute positively to one's growth.

Dr. Shitole's address was peppered with relatable examples that resonated deeply with the students. He illustrated how adopting efficient time management practices could lead to significant accomplishments, while also allowing for personal pursuits and relaxation. He further highlighted the influence of a nurturing environment, where guidance and encouragement from mentors and peers alike contribute to holistic development.

The students were captivated by Dr. Shitole's wisdom and insight, and his words left a lasting impact on their minds. His relatable anecdotes and practical advice provided them with actionable strategies to succeed academically and personally.

The Induction Programme at Science College, concluded on a positive note, setting the tone for the students' journey ahead. The event provided not only essential information about the college's resources and facilities but also instilled in them a sense of motivation and purpose.

Report on Students' Induction Programme at Science College, Nagpur (DAY-1, Session-3)

The Students' Induction Programme held at Science College, Nagpur, proved to be an enlightening and informative event. The programme aimed to introduce the newly admitted students to the college environment and provide them with essential knowledge about various aspects of college life. Eminent speaker, Mr. Harish Bhamre from the Sub Divisional Office, graced the occasion and raised awareness among students about the importance of voter enrollment.

Event Details:

- **Date:** 22/08/2023 1:40 pm
- **Venue:** Conference Hall, Science College, Nagpur

Mr. Harish Bhamre, a distinguished representative from the Sub Divisional Office, addressed the students on a vital topic—voter enrollment. His address focused on educating the students about the significance of participating in the democratic process by ensuring their names are enlisted as eligible voters.

Key Points from Mr. Bhamre's Address: Mr. Bhamre emphasized the crucial role that active participation in the electoral process plays in shaping the country's future. He highlighted the fact that being a responsible citizen involves exercising the right to vote, a privilege that empowers individuals to voice their opinions and contribute to the democratic governance of the nation.

During his address, Mr. Bhamre outlined the standard operating procedure (SOP) for voter enrollment. He walked the students through the steps required to register as voters, stressing the importance of accurate and up-to-date voter details. He elucidated the process of obtaining voter ID cards, explaining the significance of these cards as a means to exercise their democratic rights during elections.

Mr. Bhamre's presentation was not only informative but also engaged the students through interactive sessions and examples. His effort to make the procedure relatable and comprehensible resonated well with the audience.

By the end of his address, Mr. Bhamre had successfully created awareness among the students about the crucial role of voter enrolment in the democratic process. He motivated them to become active participants in shaping the nation's destiny through responsible voting.

The Students' Induction Programme concluded with a sense of purpose, as the students left with not only knowledge about their college life but also with a heightened understanding of their civic responsibilities. The institution is appreciative of Mr. Harish Bhamre's efforts in enlightening the students and fostering a sense of social awareness among them.

Report on Students' Induction Programme at Science College, Nagpur (DAY-2, Session-1)

I. Introduction The Day 2 Session 1 of the Students' Induction Programme (SIP) at Science College, Nagpur, witnessed an inspiring address by the Coordinator of the Programme, Prof. Shyamkant Anwane, and the Principal, Dr. M. P. Dhore. The session aimed to acquaint students with the rich heritage of the institution, its founding principles, and the significance of their role as part of the academic community.

II. Prof. Shyamkant Anwane's Address

Prof. Shyamkant Anwane, the Coordinator of the Programme, began the session by motivating the students to embrace challenges and actively participate in shaping their academic journey. He highlighted the legacy of Shri Shivaji Education Society, established by Late Dr. Panjabrao Deshmukh in 1932, and underlined its enduring commitment to quality education. Prof. Anwane also shared that Science College, Nagpur, commenced its educational journey in 1967, with a vision of nurturing academic excellence.

Prof. Anwane emphasized the objectives of the Students' Induction Programme, which include:

1. Facilitating students' adjustment and comfort in the new academic environment.
2. Inculcating the ethos and culture of the institution in the students.
3. Fostering bonds among students and faculty members.
4. Encouraging students to discover a sense of larger purpose and engage in self-exploration.

IV. UGC and Higher Education Landscape

- Prof. Anwane provided valuable insights into the higher education landscape in India, mentioning that the University Grants Commission (UGC) serves through a network of 48 Central, 126 Deemed, 399 State, and 334 State Private Universities across the country. He encouraged students to leverage this vast educational ecosystem for their academic and personal growth.

V. Principal Dr. M. P. Dhore's Address

- Dr. M. P. Dhore, the Principal of Science College, delivered an informative and engaging address. He commenced by introducing students to the rich heritage of the college, which has been a bastion of academic excellence for decades. Dr. Dhore also acquainted the students with the key office bearers of the Parent Society and explained their pivotal role in the institution's functioning.

- The Principal highlighted the accreditation of the college, underscoring its commitment to maintaining high academic standards. He shared the success story of the college, emphasizing the achievements and contributions of both faculty and students.
- Dr. Dhore provided practical advice to the students, outlining essential 'dos and don'ts' to ensure a conducive learning environment for all.

VI. Programme Management

- Dr. Ms. Pooja Dadhe introduced the Principal's biodata and extended a warm welcome to the students. She also proposed a vote of thanks to conclude the session. Dr. Ms. Pushpa Zamarkar expertly conducted the programme, ensuring a seamless and engaging experience for all participants.

VII. Conclusion The Day 2 Session 1 of the Students' Induction Programme at Science College, Nagpur, provided students with a deep understanding of the institution's heritage, values, and the broader educational landscape. The addresses by Prof. Shyamkant Anwane and Principal Dr. M. P. Dhore were informative and inspiring, setting a positive tone for the students' academic journey.

Report on Students' Induction Programme at Science College, Nagpur (DAY-2, Session-2)

Report on Students' Induction Programme Science College, Nagpur

I. Introduction The Students' Induction Programme at Science College, Nagpur, held on 23rd August 2023, aimed to familiarize incoming students with the various departments, their facilities, equipment, standard operating procedures (SoPs), notable alumni, and past achievements. The event was a vital step in acclimating students to the academic environment and resources available to them.

II. Overview of the Programme

1. Department of Chemistry
 - Head: Prof. R. U. Khope
 - Prof. Khope provided an insightful overview of the Chemistry department, including its well-equipped laboratories, research facilities, and safety protocols. He also highlighted the accomplishments of former students who have excelled in various fields related to chemistry.
2. Department of Mathematics
 - Head: Prof. Kalpana Pawar

- Prof. Pawar outlined the resources available in the Mathematics department, including advanced mathematical software and reference materials. She emphasized the department's commitment to fostering a strong mathematical foundation in students.
3. Department of Computer Science
 - Head: Prof. S. R. Pande
 - Prof. Pande introduced the students to the cutting-edge technology and software available in the Computer Science department. He also discussed the achievements of alumni who have made significant contributions in the field of computer science.
 4. Department of Electronics
 - Head: Prof. J. K. Keche
 - Prof. Keche provided an overview of the Electronics department, emphasizing the state-of-the-art equipment and research opportunities available to students. He also highlighted the accomplishments of former students in the field of electronics.
 5. Department of Zoology, Microbiology, Biotechnology
 - Head: Prof. Atul Bobadey
 - Prof. Bobadey gave a comprehensive presentation on the combined department, showcasing the well-equipped labs and research facilities. He highlighted the contributions of past students in various areas of biological sciences.
 6. Department of Physics
 - Head: Prof. Shyamkant Anwane
 - Prof. Anwane presented the Physics department's facilities, including advanced experimental setups and research resources. He discussed the achievements of alumni who have made noteworthy contributions to the field of physics.
 7. Department of Botany
 - Head: Prof. R. N. Deshmukh
 - Prof. Deshmukh introduced the Botany department, emphasizing the extensive collection of plant specimens and research opportunities available. He also highlighted the accomplishments of former students in the field of botany.
 8. Department of Geology
 - Head: Dr. Ms. Pushpa Zamarkar
 - Dr. Zamarkar provided an overview of the Geology department, showcasing the well-equipped laboratories and geological survey equipment. She also discussed the achievements of former students in the field of geology.
 9. Department of Statistics
 - Head: Dr. Gedam

- Dr. Gedam outlined the resources available in the Statistics department, including statistical software and databases. He emphasized the department's commitment to practical applications of statistical methods.

10. Director of Physical Education

- Dr. R. Y. Deshmukh
- Dr. Deshmukh discussed the importance of physical fitness and the facilities available for sports and recreational activities on campus. He encouraged students to actively participate in sports and fitness programs.

III. Conclusion the Students' Induction Programme provided valuable insights into the various departments at Science College, Nagpur. It served as a crucial orientation for students, enabling them to understand the resources and opportunities available to them during their academic journey. The event was successful in fostering a sense of belonging and preparing students for a productive and enriching educational experience.

Report on Students' Induction Programme at Science College, Nagpur (DAY-3, Session-1)

The Students' Induction Programme held at Science College, Nagpur, was a momentous occasion marked by the presence of esteemed IPS officer, Mr. Amitesh Kumar, Commissioner of Police - Nagpur. The programme aimed to interact with External Eminent Speakers and equip them with essential life skills. Mr. Amitesh Kumar's insightful address served as a guiding light for the students, emphasizing the significance of discipline, responsibility, and ethical behavior.

Event Details:

- **Date:** 24-8-2023
- **Venue:** Conference Hall, Science College, Nagpur

The programme commenced with a warm welcome extended to the incoming students, who were eager to embrace the opportunities and challenges that come with higher education. The presence of Mr. Amitesh Kumar, a distinguished figure in law enforcement, added a layer of significance to the event.

Key Points from Mr. Amitesh Kumar's Address: Mr. Amitesh Kumar's address resonated with the students, as he touched upon the core values that shape responsible and ethical individuals. He emphasized that as active members of society, students should not remain silent observers if something wrong is happening around them. His message underlined the importance of speaking up against injustice and contributing positively to their surroundings.

With a stern yet compassionate tone, Mr. Kumar stressed that students are expected to uphold the highest standards of discipline and dignified behavior, both within and outside the college campus. He underscored the value of character, reminding students that while wealth and health may fluctuate, a strong and principled character is the foundation of a successful life.

Addressing the digital age's challenges, Mr. Kumar cautioned the students about their online presence. He urged them to be cautious about the information they share on social media platforms, emphasizing the need for authenticity and responsible online behavior.

Mr. Kumar's words offered insight into the challenges that come with the transition from high school to college or university. He acknowledged the potential obstacles and adjustments that students might face during this period and encouraged them to stay resilient and proactive.

The audience was captivated by Mr. Amitesh Kumar's words, which were not only motivational but also practical. His guidance provided students with a roadmap for ethical conduct, responsibility, and personal growth during their college journey.

The Students' Induction Programme concluded on a high note, with students leaving the event equipped with not only practical insights but also a renewed sense of purpose. Mr. Amitesh Kumar's address will undoubtedly leave a lasting impact on their lives as they embark on this new chapter of their academic journey.

Report on Students' Induction Programme at Science College, Nagpur (DAY-4, Session-1)

The Students' Induction Programme held at Science College, Nagpur, took a meaningful turn with the presence of esteemed speaker Dr. Raja Akash, a renowned psychologist. The programme was designed to introduce fresh faces to the college environment and provide them with insights for holistic growth. Dr. Raja Akash's interactive session added a touch of humor and wisdom, leaving the students inspired and motivated.

Event Details:

- **Date:** 25th August 2023
- **Time:** 10:30 am
- **Venue:** Conference Hall, Science College, Nagpur

The conference hall buzzed with anticipation as students gathered to partake in the interactive session with Dr. Raja Akash, a respected psychologist known for his engaging approach to discussions.

Key Highlights from Dr. Raja Akash's Address: Dr. Raja Akash initiated the session with a light-hearted approach, instantly establishing a rapport with the audience. He playfully remarked that people often feel apprehensive about encountering psychologists, implying that the speaker's presence might evoke similar sentiments. This humorous start set a relaxed tone for the session.

In his talk, Dr. Raja Akash focused on the importance of mindfulness and being present in the moment. He encouraged students to overcome the habit of overthinking about the past or worrying about the future, and instead, to embrace the present fully. Using relatable examples, he explained how excessive fear can hinder the process of learning, drawing parallels with a beginner learning to ride a bicycle.

Dr. Akash delved into the concept of making positive lifestyle changes. He advocated for adopting a new habit by consistently performing a task for 21 days. By doing so, he explained, the task becomes ingrained in one's routine, leading to a positive shift in one's lifestyle.

One of the highlights of the session was the spontaneous interaction between Dr. Raja Akash and the students. Students enthusiastically shared their concerns and challenges, including day-to-day struggles, intense competition, time management, and fostering a positive mindset. Dr. Akash addressed each question with empathy and practical advice, leaving the students empowered and better equipped to navigate their academic journey.

The Students' Induction Programme concluded with an air of inspiration and enthusiasm. Dr. Raja Akash's engaging session left a lasting impact on the students, as they walked away with newfound insights and a refreshed perspective on overcoming challenges and fostering personal growth.

Report on Students' Induction Programme at Science College, Nagpur (DAY-4, Session-2)

Report on Students' Induction Programme Science College, Nagpur

I. Introduction The Students' Induction Programme at Science College, Nagpur, held on 25th August 2023, was a comprehensive orientation session aimed at acquainting incoming students with various committees and their respective activities. The event provided valuable information about the features and support systems available to students during their academic journey.

II. Overview of Committee Presentations

1. Anti-ragging and Students Grievances Redressal Cell
 - Coordinator: Prof. S. R. Pande
 - Prof. Pande emphasized the college's commitment to providing a safe and inclusive environment for all students. He outlined the functions of the Anti-ragging and Grievance Redressal Cell, encouraging students to report any concerns promptly.
2. Health Care
 - Coordinator: Dr. R. Y. Deshmukh
 - Dr. Deshmukh highlighted the importance of physical and mental well-being. He introduced the Health Care committee and discussed the medical facilities available on campus, emphasizing the need for regular health check-ups.
3. Women Grievances, Students-Teacher Guardian
 - Coordinator: Prof. Y. K. Meshram
 - Prof. Meshram addressed issues related to the well-being and safety of female students. She explained the role of the Women Grievances committee and the significance of the Students-Teacher Guardian programme in providing mentorship and support.
4. Women Hostel Committee
 - Coordinator: Prof. Mrs. R. A. Deshmukh
 - Prof. Mrs. Deshmukh provided information about the facilities and support available to female students residing in the hostel. She emphasized the committee's dedication to ensuring a secure and conducive living environment.

5. Students Council, CSR Fund
 - Coordinator: Prof. J. K. Gunjate
 - Prof. Gunjate introduced the Students Council and highlighted their role in representing student interests. He also discussed the utilization of the Corporate Social Responsibility (CSR) Fund for various student welfare initiatives.
6. Subject Societies
 - Coordinator: Dr. Rupali Bhagat Patil
 - Dr. Patil introduced the concept of subject societies, emphasizing their role in promoting academic and extracurricular activities within specific disciplines. She encouraged students to actively participate in these societies.
7. Training & Placement, e-learning
 - Coordinator: Dr. Mrs. P. M. Dadhe
 - Dr. Dadhe provided insights into the Training & Placement cell and e-learning resources available to students. She emphasized the importance of skill development and career readiness.
8. N S S (National Service Scheme)
 - Coordinator: Prof. P. S. Utale
 - Prof. Utale introduced the National Service Scheme, emphasizing its role in community service and social awareness. He encouraged students to actively participate in NSS activities.
9. N C C (National Cadet Corps)
 - Coordinator: Prof. Ms. A. D. Fuladi
 - Prof. Fuladi highlighted the opportunities for personal development and community service through the National Cadet Corps. She encouraged interested students to join NCC activities.
10. Skill-Based Courses
 - Coordinator: Prof. A. D. Bobadey
 - Prof. Bobadey introduced the skill-based courses available to students, emphasizing their importance in enhancing employability and practical skills.
11. Library
 - Coordinator: Dr. V. A. Dakhole
 - Dr. Dakhole provided an overview of the college library, showcasing its extensive collection of books, journals, and digital resources. She encouraged students to utilize the library for their academic pursuits.
12. Career Katta
 - Coordinator: Dr. Shahin Sayyad
 - Dr. Sayyad introduced Career Katta, a platform for career guidance and counseling. She emphasized the importance of informed career choices and encouraged students to avail themselves of this resource.
13. Competitive Exams

- Coordinator: Dr. S. R. Gedam
- Dr. Gedam provided information on the resources available for preparing for competitive exams. He emphasized the college's commitment to supporting students in their pursuit of higher education and career goals.

III. Conclusion The Students' Induction Programme at Science College, Nagpur, provided valuable information about the various committees and support systems available to students. It was a crucial step in ensuring that students are aware of the resources at their disposal to make the most of their academic journey.

Report on Students' Induction Programme at Science College, Nagpur (DAY-5, Session-1)

Date: 26/08/2023

Venue: Conference Hall (B-Block)

The fifth and concluding day of the students' programme under Session 1 was marked by an engaging lineup of external eminent speakers who provided invaluable insights on diverse topics. The event was graced by the presence of esteemed individuals from various fields, contributing to an enriching and informative session.

Guest Speakers and Topics:

1. **Dr. Avinash Rode - President of Alumni Association:** Dr. Avinash Rode, the distinguished President of the Alumni Association, shared his wealth of experience and wisdom with the students. His address was marked by anecdotes and advice aimed at guiding the students towards a successful academic and professional journey. He also advocated the gesture of returning back to the parent institution for benefit of present students.
2. **Dr. Anjali Bhandarkar - Awareness About Organ Donation:** Dr. Anjali Bhandarkar, a renowned expert in the field of medicine, enlightened the audience about the critical importance of organ donation. Her presentation was a compelling call to action, emphasizing the potential to save countless lives through this selfless act.
3. **Dr. Satish Kadam - Body Donation for Society's Benefit:** Dr. Satish Kadam provided a unique perspective on body donation as a means to serve society at large. His interactive session captivated the audience, shedding light on how this noble act can contribute to advancements in medical science and education.

The session was presided over by the esteemed Principal, Dr. M. P. Dhore, whose presence added significant weight to the proceedings. Dr. Dhore's commitment to the holistic development of the students was palpable, and his opening address set the tone for an intellectually stimulating day.

Dr. Ms. Pushpa Zamarkar played a pivotal role in comparing and synthesizing the various presentations and discussions. Her lively commentary brought coherence to the diverse topics covered, making it easier for students to grasp the broader implications of the information shared.

The event concluded with a heartfelt vote of thanks delivered by Dr. Ms. Pooja Dadhe. She expressed gratitude to all the speakers for their invaluable contributions, to the principal for

his continuous support, and to the students for their enthusiastic participation. Her words resonated with a sense of unity and purpose that defined the entire session.

In conclusion, the fifth and concluding day of the students' programme under Session 1 was a resounding success. The presence of eminent speakers, coupled with the insightful presentations, left an indelible mark on the attendees. The session not only expanded the intellectual horizons of the students but also instilled a sense of responsibility towards society and humanity at large. The entire event was a testament to the institution's commitment to providing holistic education and fostering a spirit of community engagement among its students.

Report on Students' Induction Programme at Science College, Nagpur (DAY-5, Session-2)

Students Appreciation

Date: 26/08/2023

Venue: Conference Hall (B-Block)

On the final day of the Students' Induction Programme at Science College, Nagpur, a vibrant display of talent and cultural diversity took center stage. Approximately 35 students showcased their skills in various cultural activities, including solo-singing, duet singing, medley performances, solo-dancing, group dancing, and break dance.

The event commenced with a soulful rendition of the 'Ganesh Vandana,' setting a spiritual tone for the proceedings. This invocatory act not only paid homage to the divine, but also invoked an atmosphere of harmony and creativity.

The participants poured their hearts into their performances, demonstrating exceptional skill and creativity. The audience was treated to a delightful array of musical and dance forms, each performance exhibiting a unique style and flair.

To recognize the outstanding efforts of the participants, a panel of judges comprising of Prof. Mrs. Shital Ghonmode and Prof. Mrs. Vrushali Kene, both esteemed members of our institution, meticulously evaluated the performances. Their expertise and discerning judgment added an extra layer of credibility to the event.

After careful consideration, the judges selected students for First, Second, and Runner-Up positions, who were then felicitated with certificates and prizes. These accolades serve as a testament to the dedication and talent of the recipients.

In addition to the cultural segment, the exceptional sports enthusiasts were also acknowledged for their commendable efforts. A group of selected students were awarded certificates for their exceptional achievements in various sports activities.

This final day of the Students' Induction Programme not only celebrated the cultural diversity and talent within our student community but also provided a platform for these budding artists and athletes to shine. The event was a resounding success, and the participants left with a sense of accomplishment and pride.

The Students' Induction Programme at Science College, Nagpur has successfully paved the way for a promising academic year, and we look forward to witnessing the continued growth and success of these talented individuals. We extend our heartfelt congratulations to all the participants and winners, and express our gratitude to the judges for their invaluable contribution.

Following Volunteers worked in the SIP-2023 wholeheartedly for the success of the programme.
